Children and Homes

The happiest homes on earth are those that are blessed with children. Children impart a warmth and an atmosphere of living to a home that lends enchantment to even the humblest dwelling.

The happiest people on earth are those parents who lavish their affections upon their children and endeavor to rear them in such manner that they will become happy and useful members of society.

Parenthood carries with it serious responsibilities which no parent can afford to shirk or ignore. Child delinquency springs mainly from parental neglect and the lack of proper home training.

The first duty of a parent is to instill in his child's mind the principles of right living and the spiritual background of human life. He must teach the child how to apply these principles in his daily life.

The Church stands ready to counsel and guide parents in meeting the grave responsibilities of child training.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
