Need Another Tractor?

If you're watching the weeds grow in the corn when the haying can't wait—worrying about planting when there's still more plowing and harrowing—or wishing the manure would haul itself when the big tractor's busy... you need another tractor.

With a Farmall Cub, you can plant, cultivate, or mow 12 acres a day... rake at 3 miles an hour... haul faster than a team. And you can spray, pump, run an elevator, plow snow, saw wood, shell corn, grind feed... a hundred other jobs too small for the big tractor.

Come in and see the Farmall Cub. It may be just what you need.

See this Farmall at work on your own farm... the white Farmall with the gold stars. Call us for a demonstration now.

Ford does it again

Ford's the first car ever to receive the coveted New York Fashion Academy medal in two consecutive years

Named "Fashion Car of the Year" second year in a row

All the world of Fashion looks to New York's famed Fashion Academy as an authority on style. So it's no wonder Ford is proud to receive their medal as "Fashion Car of the Year" for the second straight year. Never before was a car honored by two Fashion Academy Awards in a row! Here's proof that Ford has succeeded in bringing style to the low-price field—that even far costlier cars can't match.

And handsome is as handsome does. A "Test Drive" will show you the quality that makes the '50 Ford the one fine car in its field. You'll feel the smooth, quiet getaway power of Ford's new V-8 engine (or advanced "Six" if you prefer). You'll feel the 35% easier acting King Size Brakes. You'll feel the "Mid Ship" comfort of Ford's 13-way stronger "Lifeguard" Body... now "sound-conditioned." Yes, here's quality you'll see, hear and feel when you "Test Drive" the '50 Ford.
