Deadline Nears**

of Motor Vehicles began issuing chauffeur's licenses on May 1 this year instead of on May 15, as in the past.

Examiner Yow stated, however, that chauffeurs in this section have been slow to report to his station for examination. Approximately one-third of the N through Q drivers also must be examined in the next month, he added. An examiner seldom can give more than 20 tests per day which means that a rush can be expected as the June 30 deadline nears and extra help will have to be sought from other sources. Examiner Yow pointed out.

The daily schedule for Examiner Yow will be as follows: Aberdeen Monday and Tuesday, Raeford Wednesday and Thursday, Pinehurst 1st and 3rd Friday, and Southern Pines 2nd and 4th Friday. Examiner Yow will begin tests for R, S, and T drivers on July 1.
