**SLIDIN' DOWN THE CHUTE.**

What fun these youngsters have on the numerous contrivances designed for their exercise and amusement! The children of past generations would have been delighted with such elaborate provisions for their enjoyment.

Physical training has become an important part of our modern educational system. Regular periods are assigned to it in most schools, and instructors are employed to supervise the children's play.

We are thus spending billions of dollars each year to develop the minds and bodies of our children. But what are we doing for their spiritual development? The body without the soul is dead, and education without spiritual growth is a hollow mockery.

The Church has the stupendous task of supplying this vital need in human life. Its function is to show people the way of God, and teach them to think and feel and act in accordance with His will. Body, mind and spirit—but the most important of these is the spirit.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
