# A STITCH IN TIME

This little seamstress has already been taught how to save her dolly's clothing by mending them before they are worn out. Though she has not yet attained great skill, she is learning the value of industry and thrift.

It is wise to give children good use of their spare time. Not only does it develop their skill and talents, but it keeps them from idle mischief. Let us not forget the essentials of life, however, in training our children.

While little hands are learning useful tasks, little minds should be taught of the Heavenly Father and His loving care, and little hearts should be filled with kindness and consideration for others.

Early religious training is the greatest gift for any child. Take your little one to Church and Church school for the foundation of a fuller, richer life. Do not wait; it can make the difference between happiness and sorrow, between success and failure.

**THE CHURCH FOR ALL . . .  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
