# WATCH For The Lion At Your Door

THERE'S A LION AT YOUR DOOR  
TODAY - TOMORROW - SATURDAY

The Raeford Lions Club Members are calling on the citizens in the Raeford area—going from door to door beginning today for the rest of the week—selling brooms in behalf of the blind of this county. The benefit to the blind from the sale of these brooms is two-fold. They are paid for making the brooms . . . and all the profits made from these brooms will be turned over to them. The brooms that are being sold, as you will see for yourselves, are top quality, long straw brooms. These brooms are manufactured entirely by blind workmen.

The Lions will have rubber link door mats, too . . . So . . . when you see that Lion at your door . . . let him in . . . and buy a broom or door mat so that our local aid to the blind can be continued.
