LABORATORY TESTED

Almost everything you buy today has been tested in the laboratory. Its worth has been proven.

But what about the pattern by which you live? Is it a concoction of your own mind, or a new formula for success, or is it a Religion?

If you are a Christian, your creed has been tested in the laboratory of life. For almost two thousand years men have believed, served, worshipped, lived and died—many of them heroically—in the Faith that is yours.

The Christian churches of this community do not offer any new remedy for all life's problems. But they preach and teach for our own time the Way of Life that Jesus taught.

And now, as then, men find peace and happiness in that Way. Through twenty centuries that has been proven by faithful Christians.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
