**TRACKS ON THE RIVER**

There was a day when the railroad ended at the river. Cars were unloaded, freight was transferred to the river boats. Then across stream, cars were reloaded and the railroad continued its trek to the next river.

But man discovered how to lay tracks on the river. With the coming of the train barge, freight stayed on the rails and was guided across the river.

In everyday life there are countless obstacles which seem to defy human ingenuity. A man is tempted to abandon the "tracks" he has followed, believing he cannot go on.

But usually the solution to these problems is just as simple as "laying tracks on the river." Stay on the rails and be guided across.

The Church will help you live by Christian principles. And in the face of a crisis, be true to those principles and depend on the guidance of God.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
