

WEEVILS?

aldrin acts FAST!

Aldrin is the fast-acting, powerful, low-cost answer to your boll weevil problem.

Quick Kills: If the weevil eats, touches, or breathes aldrin, he dies. Dead weevils show inside of two hours.

Low Cost: Aldrin's Killing Power is measured in just ounces per acre. That gives you weevil control at exceptionally low cost.

Easy-to-use . . . as Dust or Spray: Aldrin handles easily in any conventional application equipment . . . comes in dust or spray form. And aldrin's low concentration means less clogging of spray nozzles.

BOLLWORMS?

For highest kills, use *dieldrin-DDT*. This lethal combination has proved to give best control of the profit-thieving bollworm as well as boll weevil. So, at the first sign of bollworm trouble, spray or dust with dieldrin-DDT.

Better Grade More Weight With

GASTOBAC

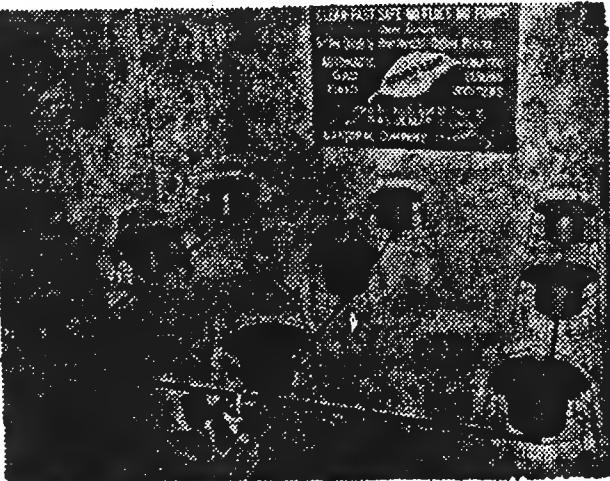

MODERN, GAS-FIRED TOBACCO CURERS

Tobacco growers now using GASTOBAC Curing Systems consistently report a better quality and heavier weight of tobacco due to the exact, evenly-spread heat which GASTOBAC maintains automatically. Clean, odorless gas heat completely eliminates danger of contamination from fumes, smoke, and film.

SAVES COST—SAVES WORK

- No Watching—Automatic Temperature Control
- Low fuel cost—No lines to level
- No fuel handling—No electricity
- No maintenance—Long life
- Positively safe—State Approved

Why not plan now to get a bigger, surer profit from your tobacco crop? Let us give you complete information about GASTOBAC—the modern, gas-fired curer.

THE SAFE, SIMPLE CURER—Note the absence of fumes, stacks, and vent pipes. Plenty of working room in this typical bright tobacco installation. GASTOBAC is used in all tobacco areas.

Boy Scout Council Sets \$45,210 Budget For Eight Counties

The Executive Board of the Cape Fear Area Council in their regular meeting last Monday night set the new Budget for the local Boy Scout Council at \$45,210.50. The budget will be used to operate the Boy Scout Program in the eight southeastern North Carolina counties composing the Cape Fear Area Council from July 1, 1952 through October 31, 1953; \$20,293.50 will be expended for Field Service, \$12,021.00 on General Administration, \$5,313.00 on Camping and Activities, \$1,311, on Badges and Awards, \$3,321.25 on Leadership Training, \$2,550.75 Program and Educational Helps, and \$400.00 for National Service. This \$400 is the only funds sent to the National Council in repayment for the services received by this Council.

The Executive Board of the Council has set the dates for the Council-wide Campaign to be held in every community covered by the Cape Fear Council between September 25 and October 10. It was pointed out that in order to maintain the Scouting Program on the present level that it was absolutely essential that the total goal be achieved this year. The Executive Board action included

planning that no supplement campaign for Council operation would be conducted and that if the goal was not reached that Council service to the communities of the Cape Fear Area Council would be curtailed.
