Hints To Home-makers

SWEETS FOR THE TEEN SET
Dessert snacks for the teen-age contingent? Here are two apple sweets they'll think are on the beam. Easy enough to prepare, too, so your own youngster can get these offerings ready next time the crowd descends on your home.

Marshmallow Apple Sandwiches
Ingredients: 2 Winesap apples (peeled and cored and cut into 1-4 inch rings. 2 tablespoons butter or margarine. 20 graham

crackers, 10 marshmallows.
Method: Cook apple slices in butter over low heat until tender. Place an apple ring on a graham cracker, top with a marshmallow. Slip under broiler long enough to brown marshmallow. Top with second graham cracker. Makes 10 sandwiches.

Apple Upside-Down Cake
Ingredients: 1-2 cup butter or margarine. 1-2 cup white sugar, 1-2 cup firmly packed brown sugar, 1-4 cup water, 9 cored and peeled apples, (cut 1-2-inch thick) 1-2 cup shredded coconut, 1 package white cake mix.
Method: Melt butter in heavy sauce pan or frying pan and stir

in sugar and water, simmer apple rings slowly until barely tender. Don't crowd apple rings: cook one by as many at a time as will fit easily in to pan. Sprinkle the bottom of a nine inch pan at least 1-4 inches deep with coconut. Arrange apple rings in even rows over coconut and pour over syrup left from cooking apples. Follow the directions given on the package for making white cake. Spoon enough batter over apples to fill the pan 2-3 full. (Bake any remaining batter in cup cake pans). Bake in a moderate oven (350-F) for 30 minutes or until cake springs back from a light touch.
Both these desserts call for

that good all-purpose apple, the Winesap.

WINNERS

IN THE 1952 FINER CAROLINA CONTEST!

HARTSVILLE, S. C. & SANFORD, N. C. DESIGNATED AS CAROLINAS' FINEST!

Those hustling, spirited citizens of Hartsville, S. C., and Sanford, N. C., earned for their towns the designation as Carolina's Finest in their respective states! More power and praise to them along with our best wishes and congratulations. Not only to the folks of Hartsville and Sanford, but just as heartily, to all of you wonderful people who helped make your communities finer places in which to live, work, and play!
Other cash prize winners are shown in the panels on the left. We wish all of you could have been prize winners, and, in a very true sense you did win. Everybody is a winner who helps build a finer community, and all of you did just that!

A WONDERFUL JOB IN '52!

This was no walk-away for the winners! Every project, every plan; every entry, was worthy of consideration by the Judges. The Judges selected and reviewed; weighed and reweighed every decision. Theirs was the difficult burden of evaluating such projects as playgrounds and parks; improved educational, health and safety facilities; business betterment drives for tourist trade and industry. All of these and many more went into the pot to help cook up a contest of initiative and enterprise.
Truly, an inspiring example of Carolinians at work, and how they worked! Part time—full time—overtime! . . . it all added up to the greatness of spirit that results in accomplishment and reflects credit to the Carolinas!

LET'S KEEP IT ROLLING IN '53!

The 1952 Finer Carolina program is in the record. 1953 offers an opportunity for a new beginning on a new program which should result in an even Finer Carolina.
The rewarding task of building better communities and finer farms is one that is never done. Progress cannot rest—so let's keep on going! The 1953 Finer Carolina Contest offers additional, separate prizes for Finer Farm projects. Better communities and finer farms now will create new and greater opportunities for our children, tomorrow!
We sincerely hope that you will join us again in 1953 and continue to build a Finer Carolina.
