

Unipue Foods Add Spark To Holiday Festivities

Begin thinking now in terms of what you can serve when friends and relatives drop in from time to time during the holiday season.

Russian tea is always a good cold weather beverage, but for variety, why not try this hot spiced grape juice, a recipe taken from the files of Ruth Current, State home demonstration agent:

Hot Spiced Grape Juice
 Juice of 1 lemon
 1 quart of grape juice (canned or frozen)
 2 cups boiling water
 1/2 cup sugar
 2 nutmegs (cracked)
 1 1/2 sticks cinnamon
 4 pieces orange rind
 Cut the orange rind in small pieces (free from white inner skin). Heat all ingredients together and simmer for ten minutes. Strain and serve hot.

Serve with the hot grape juice cheese straws or several kinds of your favorite cookies.

For a festive holiday touch, float a lemon slice in each cup and top it with a red cherry and a small leaf of holly. This deep red punch is unique in its flavor and will keep conversation flowing smoothly as the guests try to name its ingredients.

North Carolina was the fifth largest Southern pulpwood producing state in 1952 with 1.3 million cords harvested.
