

# ROCKFISH NEWS

By Mrs. A. A. McInnis

Church chorus in the community sang Christmas carols for shut-ins and others Wednesday evening before Christmas.

Mr. and Mrs. James Wright and son, Michael of Columbus, Ga. visited his father, A. A. Wright and other relatives in Raleigh Christmas, then came by for a short visit with his sisters, Mrs. E. T. Brock and Mrs. Roscoe Bundy here and Mrs. Joe Yeargan in Raeford and their families before returning to Columbus Saturday.

Mr. and Mrs. William Mottley and sons of Burkeville, Va. and Miss Sarah Neal McKeithan of Hampton, Va. spent Christmas with Mr. and Mrs. N. A. McKeithan. Mr. and Mrs. McKeithan had all their children at home except Wesley, who is in Sharon, Pa.

Mr. and Mrs. Bryan Hutchinson and family of Columbus, Ga. are spending the holidays with Mr. and Mrs. Ervin Beasley.

Mr. and Mrs. J. L. McFadyen visited their son, A. B. McFadyen, in Winston-Salem last week.

Mr. and Mrs. Joe Lovette had as their guests on Christmas day Mr. and Mrs. Oscar Scull and family of Wayside, Mrs. Mary Shewbridge and Mr. and Mrs. John Lentz and son, Sidney, of Raeford.

Miss Jane Wood, student nurse at Baptist Hospital, Winston-Salem, who did not get here for Christmas, has arrived to spend a few days with her parents, Mr. and Mrs. M. L. Wood.

Mr. and Mrs. C. T. Brock of St. Pauls were dinner guests of Mr. and Mrs. E. T. Brock on Christmas day.

Mr. and Mrs. A. W. Wood and sons, Craig and Marion visited relatives in Dillon, S. C. Sunday.

Mrs. Doug Monroe visited Mrs. Clyde McGill of Fayetteville Monday.

Mr. and Mrs. B. B. Bostic had Mr. and Mrs. Tom Rogers of Warsaw as their guests the past week end.

Mr. and Mrs. Henry Plummer had all their family at home for Christmas, with other visitors. They had thirty-one in all to call that day.

This community was shocked and saddened last Thursday to hear of the automobile wreck that took the life of A. R. Sanders, and we extend our deepest sympathy to the bereaved.

Services at Tabernacle Church Sunday night were conducted by college students at home for the holidays. Miss Sallie Gibson gave an interesting account of college life at Campbell College, Buie's Creek; the scripture was read by Miss Betty Jean Wood of Peace College, Raleigh, and the sermon was by Bobby McColl of Campbell College, who is studying for the ministry.

Mrs. Lona Smith and son of Maxton visited her brother, N. J. Ritter and Mrs. Ritter last week. Mr. Ritter is recuperating at his home after an operation at Highsmith Hospital.

Mr. and Mrs. J. C. Miller had as their guests for the Christmas holidays, Mr. and Mrs. T. Sneed and their three children of Bolovia, Tenn. Since the Sneed children had never seen the ocean, Mr. and Mrs. Miller and their guests went to the beach Sunday and the visitors left for their home in Tennessee Monday.

We also sympathize with Mr. and Mrs. Paul Heath, who have had a series of deaths in their family recently. First her brother died, next her grandmother, and last week Mr. Heath's sister, Mrs. John L. West, passed away suddenly in North Wilkesboro. She was buried at Old Bluff Presbyterian Church cemetery near Wade last Wednesday.

Some of the newcomers that we gave a welcome to some time ago are: Mr. and Mrs. Ned Saunders of Diaz, Ala. and Mr. and Mrs. Horace Roberts of Corline, Ky. These are soldier families and live in the Ritter apartment.

**Note Of Thanks**  
I wish to express my thanks to the many friends who visited me in the hospital and since I came home; also those who sent flowers, fruit and greeting cards during my recent illness. These things have meant much to me. Words cannot express my appreciation, so again, I will just say thank you.  
N. J. Ritter.

North Carolina farmers paid 20 cents per pound more for bacon on September 15, 1953 than on September 15, 1952.

**DISH TOWELING ADDS COLOR** — Dish towels can be delightful and colorful additions to the kitchen. Toweling can be used with striking effect for curtains, tablecloths, place mats, aprons, as well as for drying dishes. When you buy dish towels, look for quality in the material—it will give you maximum service and satisfaction. Read the label, examine the material before you buy—fiber content, colorfastness, and other washing instructions should be found on the label. Before investing in a large

supply of one particular color of towel, purchase one or two and test them in your washer.

Choose a firm, rough textured fabric that is not too thin. Kitchen "crash" is the term used to describe toweling that has a hard texture to reduce linting. The hard texture of crash also makes towels more absorbent.

A "world" of fun can be had in decorating your kitchen and dining area with kitchen toweling. The only limit is that of your own imagination!

**CLEANING PIANO KEYS** — Water and not enough sunlight will turn ivory piano keys yellow. To clean these yellow keys, use a soft flannel dampened with wood or denatured alcohol. Then

be sure that your piano keyboard is uncovered part of the time. On some new pianos, plastic keys are being used. These may be cleaned with a damp cloth.

The average price paid by North Carolina farmers for food items on September 15, 1953 were generally higher than those paid on the same date a year earlier.
