

ROCKFISH NEWS

By Mrs. A. A. Melnits.

Mr. and Mrs. J. D. Gibson, visited Mr. and Mrs. C. M. Kelly in Durham the first of last week. They were accompanied on this trip by J. D.'s mother, Mrs. M. S. Gibson, who spent the whole week with Mr. and Mrs. Kelly, returning home Saturday.

Mrs. E. Sumner and Mr. and Mrs. Syd Sumner and children visited Mrs. M. S. Gibson and Merritt Simpson Saturday. Mrs. D. A. McDougald and Miss Marjorie McDougald of Wayside were guests of Mrs. Gibson Monday.

The WMU of Tabernacle Baptist Church held their monthly meeting at the home of Mrs. M. S. Gibson. This was an interesting meeting with fourteen present. After the program of devotional,

business and mission study, the hosts served delightful refreshments.

There was a sing-spiration at the home of Mr. and Mrs. Lynn Dees Sunday night.

Mrs. C. S. Pickett and children of Fayetteville visited her mother, Mrs. M. B. Knight Friday evening. Mrs. Knight went home with them and returned Saturday.

Rev. B. O. Shannon, Miss Pearl McLeod, Misses Alle and Katie Black and J. A. Black spent Saturday in Mebane. They were guests of Mr. and Mrs. Thomas McPherson, who graciously entertained them at their home, showed them the interesting places about their town and countryside.

Mr. and Mrs. Ned Sanders had as their guests recently: his mother, Mrs. S. A. Sanders, sister, Miss Florine Sanders, brother, Truitt Sanders and Mrs. Sanders' brother, Junior Johnson of Boaz, Alabama.

About two weeks ago Mr. and Mrs. Leroy Smith of Boaz, Ala. came to visit Mr. and Mrs. Ned Sanders and they were gone to Alabama so the Smiths found the key to the Sanders' house, went in and fixed breakfast, ate it and started back home. Mrs. Sanders didn't say whether they washed the dishes or not, but anyway they reached Boaz, Ala. in time to see the folks they came all the way here to see, before they started back to Rockfish.

Richard, baby son of Mr. and Mrs. Henry Busby, has been a promising patient in Scotland Memorial Hospital, Lumberton, since last Friday. He was expected to be able to come home about Wednesday.

In the ball game between Maxton and Chocoma Colleges last Saturday, Chocoma won, 4 to 3. Maxton Wood, student at Maxton Junior College, was at home the next week end and he was thrilled over the fact that he made the score three times out of four

for his team. We are proud of him too and hope he keeps up the good work.

A group from the Galatia Choir have been practicing with the Fayetteville Choir that is to sing for the bicentennial. They meet again next Tuesday night at 8 o'clock at Highland Presbyterian Church recreation hall and need more songsters, so here is a good opportunity for those who like to sing.

Beware of so-called blue berry pie. They are serving a concoction by that name in some eating places that has never been near a berry. It's just a cornstarch mixture, blueed up a little, but not enough to blue your tongue and you can try to believe that it's flavored with berry juice. And to further fool you, it has a top crust, but "nary" a berry.

Mr. and Mrs. George Dees, Mr. and Mrs. Lynn Dees and daughters, Lynda and Ann, visited Mr. and Mrs. Julian Barnes at Rex Sunday.

Mrs. Imogene Johnson and son, Bruce, of Laurel Fork, Virginia, are on a two weeks' visit to Mr. and Mrs. Paul Heath. Mrs. Johnson is a sister-in-law of Mrs. Heath.

Miss Ellen Kate Koonce of Boone, Bobby McCall of Buies Creek and Miss Betty Jean Wood of Raleigh were all at home the past week end.

Miss Marjorie McDougald of ECC, Greenville, is spending the spring holidays at home.

Miss Shirley Johnson of Raleigh, Misses Zola and Merle Johnson of Boone and J. L. West of North Wilkesboro were week end guests of Mr. and Mrs. Paul Heath.

E. T. Brock is digging out a place for swimming and a fish pond on his farm here at Rockfish and from the looks of all those high piles of earth they've thrown out, there must be a lot of dirt between here and China.

Pittman Grove Church is having a BTU Study Course this week, taught by Mrs. Louise Watson of Rockfish. All interested persons are invited to attend.

This community has just been saddened by the news of the death of Joyce Lou, baby daughter of Rev. and Mrs. D. E. Miller of Clement, who was severely burned several weeks ago. A host of friends here and everywhere around extend to the Miller family, their deepest sympathy.

America's lowest priced low-friction SIX!

FORD'S NEW I-BLOCK SIX IS THE MOST MODERN SIX IN THE INDUSTRY... THE ONLY LOW-FRICTION SIX IN ITS FIELD!

More folks are swinging to Ford's 115-h.p. I-block Six because they're getting the most modern six in the industry. Ford's short-stroke, low-friction design means less gas waste, less wear and longer engine life.

The extra-deep, "I-shaped" block means a more rigid, quieter engine. And the new high-turbulence combustion chambers, and Ford's Automatic Power Pilot, bring you even more "GO" per gallon.

ONLY FORD OFFERS BOTH A V-8 AND SIX IN THE LOW-PRICE FIELD!

Ford is still the only low-priced car to bring you V-8 power. And this year, Ford's Y-block V-8, with its new deep-block, low-friction design, is the most modern "eight" in the industry. Both new Ford engines are available with Fordomatic, Overdrive* or Conventional Drive—the finest choice of drives in the low-price field.

*at extra cost

HERE'S WHAT FORD'S LOW-FRICTION DESIGN MEANS TO YOU

LONGER ENGINE LIFE. Both new Ford engines are of short-stroke design. This means pistons travel less distance. Naturally, there is less friction and less wear. In both engines overhead valves have a free-turning feature which allows them to rotate to cut down wear.

MORE POWER. Because there is less friction to overcome in moving pistons up and down, there is more energy to move the car. And because combustion chambers are wedge-shaped, fuel burns more completely... for even more power.

MORE "GO" PER GALLON. Ford engines also bring you the additional savings of the Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas. You won't find any of the modern advances on this page in any other low-priced car.

Worth more when you buy it... worth more when you sell it!
