

Weekly Report On

Activities Around Antioch

By Miss Fronde Kennedy

The six Circles of the Antioch Church met this week, hostesses being Mrs. A. S. Watson, Mrs. C. S. Stanton, Mrs. Arch McEachern and Mrs. Charles Redd. The two evening circles held a joint meeting in the social hall of the church on Tuesday evening.

Mrs. J. M. Andrews, Mrs. Archie Howard, Mrs. J. G. Hughes of Parkton, and Mrs. Cecil Parson were among the members of the Fayetteville Executive Board of Presbyterian Women of the Church who attended a "Retreat" at Carthage one day last week. This group had lunch at Shaw House in Southern Pines and tea with Mrs. Charles Grier later.

Professor Roger Decker of the Flora Macdonald faculty was guest speaker in the Antioch Church on Sunday. He pleased his hearers greatly with a clear exposition of the methods and objectives of the "Guidance and Counseling Service" being offered in several of the church colleges.

The Rev. Gower Crosswell will return from Charleston, where he has done a tour of Naval Training Duty, on Saturday, and will preach on Sunday.

The Antioch Scouts enjoyed a week end camping trip to Camp Upehurch under the leadership of Scoutmaster David Gibson and Assistant Scoutmaster Malcolm Maxwell. Those who went were Bill Hodgkin, David Randleman, Ken Randleman, David McDonald, Mac McPhaul, Walter Curtis McNinnis, Ray McQueen, John McQueen and Bill McNeill.

Miss Carole Everleigh was a guest at the Homecoming dinner dance at Presbyterian Junior College on Saturday.

Mr. and Mrs. Arch McEachern had as week end guests the Rev. John McEachern of Columbia, S. C., Mr. and Mrs. Laurie Mc-

Eachern and daughter, Anne, of Raleigh, and Miss Anne Dickson of Raeford.

Wilmington, with its Azalea Festival and its Orton Plantation and other attractions, has drawn many visitors from this area recently.

Mrs. Arch McEachern was hostess on Thursday to a group including Mrs. George Bullock of Red Springs, Mrs. L. McD. Kennedy of Spartanburg, Mrs. Gower Crosswell, and Miss Fronde Kennedy, which enjoyed an all-day trip including the sights of Wilmington, Orton Plantation, St. Philip's Church ruins, and Long Beach.

A week end party visiting relatives in Wilmington included Mr. and Mrs. H. A. McKenzie, Sr., Mr. and Mrs. H. A. McKenzie, Jr., and Davis Currie.

Mr. and Mrs. Archie Howard and their guests, Mrs. Gower Crosswell and Miss Jean Hodgkin, enjoyed a performance of "South Pacific" in Raleigh on Monday evening.

Mrs. Arch McEachern and Mrs. Charles Redd were luncheon guests of Misses Mary and Emily Patterson in Laurinburg last week.

Mr. and Mrs. J. A. Hodgkin entertained at dinner on Wednesday the Gower Crosswell family, Mrs. Kennedy, and Miss Fronde Kennedy.

Mrs. Crosswell, Mac and Joe, and Miss Fronde Kennedy were dinner guests of Mrs. Arch McEachern on Monday.

Mrs. L. McD. Kennedy returned to Spartanburg on Sunday afternoon after a week's visit to her daughter, Mrs. Crosswell.

Make Accessories To Your Own Liking

If you enjoy being original and using your own creative streak, you'll find lots of enjoyment in making many of your own clothing accessories.

According to Mary Em Lee, State College extension clothing specialist, accessories that show good taste are often way out of line as far as price is concerned. By making your own you'll have a lot of fun and at the same time save yourself considerable expense.

Miss Lee says that you can find any number of patterns for attractive neckwear, bags, hats and gloves at most department stores. Next time you are browsing through pattern books, pay special attention to the accessory sections.

Accessories are very expressive of certain moods and personalities, explains Miss Lee. They can be dressy, tailored, feminine, exotic and very dramatic according to the wishes of the wearer. Accessories can completely change the character of the suit or dress — they can "dress it up" or "dress it down" as the occasion dictates.

The use of artificial flowers as an accessory comes and goes with the seasons. This spring, artificial flower are abundant — they're even being fastened into earrings.

Here again you can save money by making your own. Plan these earrings to go with a specific dress or outfit.

Artificial flowers for spring and summer wear are most effective if light in color. They will harmonize well with the newer pastel fabrics.

Cost-Cutting Hint For N. C. Dairymen

Dairymen who are really sincere in wanting to cut milk production costs can pare feed costs considerably this spring by cutting the protein in the grain ration down to 10 per cent when cows go out on lush, rapidly growing pastures.

George Hyatt, in charge of dairying for the State College Extension Service, says 10 per cent protein may sound "mighty low, but on good grass that's all dairy cows need. This fact has been demonstrated."

Cows need energy feeds when on good pasture — a mixture of corn, oats, or barley. The rapidly growing pasture herbage furnishes the protein especially if a legume such as Ladino clover makes up part of the pasture. Lush growing Ladino clover-orchard grass pasture contains approximately 20 to 24 per cent protein, says Hyatt. "If you continue to use 16 or 20 per cent protein mixtures, you're wasting money."

The job of dairymen, as Hyatt sees it, is to keep cows from getting thin when on good pasture. A mixture of 600 pounds of oats and 400 pounds of corn and cob plus steamed bone meal and salt, fed according to milk production will keep the cows in good condition until the pastures start to dry up. Then the protein content of the grain mixture should be upped.

For more details on choosing the right grain mixture for dairy cows, Hyatt suggests that each dairyman contact County Agent W. C. Williford. He has all the information in Report No. 17 DHB, December, 1953, "Choosing a Mixture for Dairy Cows."

North Carolina farmers paid an average of about 2 per cent more for fertilizer during the 1952-53 crop season than a year earlier.

SPRING CLEANING TIP

Spring cleaning requires a lot of energy—time—soap—and hot water. If you have an automatic electric water heater, you don't have to give the hot water a second thought!

You see, an automatic electric water heater is truly automatic. There is nothing to turn on or off—no ashes or dirt—nothing for you to do at all except enjoy abundant hot water for all household needs—including spring cleaning—at the mere touch of the faucet.

If there is not an electric water heater in your home—this Spring is a good time to get one!

But What About the Next Time?

There are few of us who haven't at one time or another narrowly escaped an accident.

Unfortunately, it's not always just a near miss. Accidents do happen and it's smart to be prepared for them. With a Metropolitan Accident and Health Insurance Policy you're protected. You have the money to pay medical and hospital bills and even extra money to help meet other expenses if you are laid up.

For full particulars without obligation, just write or phone...

The new 200-horsepower Buick Century Convertible—sleek, smart, spirited—and available in gorgeous new summer colors.

We have a line the gals go for

(Have you seen our Spring Fashion Show?)

You can't fool the ladies when it comes to styling.

From clothes and hemlines, to cars and color schemes—they insist on a fresh new look and a fresh new change—and anything else won't do.

So it's easy to see why the gals—bless 'em!—have been going for Buick in a great big way—going for the glamorous modernity of these new-day automobiles ever since the first public showing a few short months ago.

From the beginning, they've been going for the sleeker, longer, lower lines—the futuristic shaping of the new windshields—the stunning décor of the striking new fabrics—the clean simplicity of the new instrument panels.

But you ought to see how they go for the gay new car models in Buick's Spring Fashion Show! Fresh new Convertibles, Rivieras and Estate Wagons never before available—and in gorgeous new summer colors never shown before!

And you ought to see how they go—as the men certainly do—for the

thrilling new V8 power, the buoyant new ride, the superb new control, and the almost effortless handling ease that are all part and parcel of every new 1954 Buick.

Why not visit our Spring Fashion Show and see for yourself the fresh new tomorrow that's here now—in today's Buick? Then we can show you the prices that make this beauty the buy of the year.

BUICK
the beautiful buy

THE COMPLETE LINE-UP OF BUICK BEAUTIES FOR 1954 includes stunning new all-steel Estate Wagons and "hardtop" Rivieras, as well as 100 new Convertibles, in both the low-priced V6 Series, Series and in the high-powered Century Series.
