

Men In The Service

Sgt. Clifton W. Harrington, 24, son of Mrs. C. B. Harrington, Route 2, Aberdeen, recently was transferred from Okinawa to Korea and is now a member of the 24th Infantry Division.

Sergeant Harrington was reassigned when his former unit, the 75th Regimental Combat Team on Okinawa, was deactivated.

A squad leader in Company L of the division's 34th Regiment, he entered the Army in October 1951 and arrived in the Far East on his current tour of duty in December 1954.

Pfc. Joseph C. Allred, son of George C. Allred, Route 1, Aberdeen, is taking part in the Army's Alaskan "Exercise Moose Horn" in the Big Delta area, 165 miles

from the Arctic Circle. During the four-week maneuver, several thousand troops will receive practical training in tactical operations and cross-country movement under simulated combat conditions. Winter temperatures in the region drop to about 50 degrees below zero.

Also, two methods of arctic supply, airdrop and giant over-snow tractor-sled-trains, are being compared.

Private First Class Allred is regularly assigned as a driver in Company D of the 71st Infantry Division's 4th Regiment in Alaska.

Allred entered the Army in August 1954 and was stationed at Fort Jackson, S. C., before arriving in Alaska in January 1955.

Why hold back from the fun and thrill and pride of bossing a Buick—when you can boss such a big and strapping beauty for the price of a smaller car?

Hard to believe? Listen...

If you can afford *any* new car, you can afford this brawny Buick SPECIAL Sedan—for a very simple reason.

This Buick is priced within a few dollars of the well-known smaller cars—and actually costs *less* than some models of those very same cars. (The price we show here proves that.)

Want more proof? For two years in a row now, Buick has outsold every

other car in America except two of those well-known smaller cars. And you can bet your bottom dollar that it takes bedrock prices to stay in the Top 3 of the nation's best sellers.

But even that isn't the whole story—not by a long shot.

Folks are buying Buicks in record numbers because they find in these big beauties a lot more automobile for the money.

They find here more styling freshness and distinction—more snap and ginger and power thrill—more comfort and luxury—more ride stability and steadiness—and more structural solidity and pure automobile than the same money buys elsewhere.

*2-Door, 6-Passenger Buick SPECIAL Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

So if you want to move into the big-car travel world at a small-car price—if you want to have the time of your motoring life with the lift and lilt and pride and prestige of a beautiful new Buick as your very own—what's holding you back?

Drop in on us right quick—tomorrow, maybe?—and we'll show you the biggest bundle of high-powered Buick ever offered in America's low-price field.
