Safety Council Gives Warning For Driving On Fourth Of July

"Keep your safety guard up and keep accidents down."
That is the advice of the National Safety Council as America gets ready to celebrate the Fourth of July.
"People get a little too carefree simply because it's a holiday," the Council warned. "They forget to be cautious. They get 'holiday happy.'"
The Council added that holiday periods are among the most dangerous times of the year—25 to 30 per cent more dangerous on the highway, for example, than normal periods.
"and that's the time," said the Council, "when everyone should be more safety-conscious than ever."
"The fact that it's Independence Day doesn't mean we can afford to be independent on the highway. Cooperation and courtesy are the keys to traffic safety."

SUNDAES, SODAS AND SHAKES

There's summer fun for all the family by creating a soda fountain right in your own home.
Ice cream sauces are the basis for delicious sundaes, sodas, shakes, banana splits and parfaits. Rich and satin smooth sauces are made with instant pudding mix, corn syrup and Pet Evaporated Milk.
Two full cups of home-made sauce cost about 30 cents, and because they need no cooking, only five minutes are required to prepare this soda fountain treat.
A variety of sauces may be made for your own old-fashioned ice cream parlor, but chocolate is sure to be a favorite with young and old.
CHOCOLATE SAUCE
1 package chocolate instant pudding
2/3 cup light or dark corn syrup
1/4 cup Pet Evaporated Milk
1 teaspoon vanilla
Mix pudding and syrup until smooth. Gradually stir in Pet Evaporated Milk and vanilla. Let stand until thickened, about 10 minutes. Makes 2 cups.
