One High School For County

Board Of Education Wipes Uut 'Dual School System' In Hoke

BY JIM TAYLOR

Hoke County Board of Ed-ucation in a historic decision this week abolished the "dual school system" in grades six through 12 and provided for total integration by the fall of

The board moved calmly and swiftly to implement a federal edict which threatened action leading to withdrawal of fed-eral funds. In the Hoke school system, that could amount to almost \$750,000 a year.

However, if that was the mo-tivation behind Monday night's action, it was well concealed. The board acted as if the time had come for the action to be tsken, and took it, without a single dissenting vote or argu-

ment. The sweeping overhaul of the school system established a single high school for the entire county. It will encompass the present Hoke High School and W.T. Gibson School plants, which are separated only by Bethel Road. The high school will accommodate grades nine

through twelve. federal edict, received only a week ago by the school board, informing it that administra-tive action already had been The Upchurch plant will be used for all students in grades six, seven and eight, with the Upchurch grades one through five being absorbed by other elementary schools in the sysinitiated against the Hoke Coun-

ty system. Ultimately, that action would have resulted in a hearing and almost certain loss That portion of the plan will of federal assistance until the be put into effect immediately. Phase three--the total integraorder was implemented. Abernethy said the new Hoke tion of grades one through five-will be accomplished by the be-ginning of the 1969-70 school

Abernethy said.

classrooms will be required to accommodate the amalgamation, Abernethy said.

The Upchurch student body will be about 1300 in size. Facilities at the previously all-Negro school will be adequate for the time being, Abernethy surmised, since the present Upchurch grades one through five will be moved to other schools.

Five other schools in the sys-tem will be used by grades one through five, They are Raeford Elementary, J.W. Mc-Lauchlin Elementary, Zurlock, West Hoke, and Hawk Eye, Bur-lington Elementary School will lington Elementary School will be closed.

Faculties of the new Hoke igh School and Upchurch High School will be totally integrated. In effect, the classroom

teachers of the various shift-ing grades will be transfer-red, along with the students, to

their new campuses. Also eliminated will be the dual bus system. At present, white and Negro students are transported separately, with both buses sometimes coverin, the same routes.

Following is a resume of the board's action, as presented to the Department of Health, Ed-ucation and Weifare;

"The Hoke County Board of Education in a regular meeting on June 3, 1968 voted to implement a program to eliminate the dual school system with definite actions to be taken in two stages, the first to be at the beginning of the 1968-69 school term, the second and final to be implemented at the beginning of

the 1969-70 school term. The course of action follows:

1968 -- (1). Consolidate the present three high schools into one. The consolidated high school will be located on the campuses of the present Hoke High School and the new W.T. Gibson School (adjoining). All Hoke County children in grades 9-12 will attend this school. (2). Form a consolidated school in the Upchurch plant to house all of Hoke County's school children in grades 6 - 8. (3). Close the Burlington Elementary School (presently grades 1-8, all Negro). Most of these students will be assigned to the South Hoke School (formerly the Hawk Eye School, predominantly Indian). "The above actions will to-

tally eliminate the dual system

(Actually, we have had a 'triple' system, due to the pre-sence of an Indian school).

1069--Details of our course of action are to be worked out, but we will totally integrate grades 1-5, probably by pair-in, of schools. We assure that the plan will be fair to all par-ties and will be in keepin, with the policies of HEW." The plan was unanimously adopted by D.R. Half Jr., chair nat, Dr. R.M. Jerdan, vice chairman, R.L. (Bobby) Ginson Jr., W.L. Howell Jr., and A.W. Wood Jr. It was strongly endorsed by Abernethy.

Actually, the first indication that the action would be necessary came in January when the civil rights division of See SCHOOLS, Page 9

tem.

More than 200 high school seniors were awarded diplomas in commencement exercises at Hoke County's three high schools this week.

At Hoke High School, largest of the three, 123 seniors were graduated before a capacity crowd in sweltering Hoke High gym. Raz Autry, principal. gym. Raz Autry, presented diplomas.

Eddie Green, president of his class at UNC School of Law, was principal speaker. He

is a former student of Autry's. At Upchurch High School, 80 seniors were graduated Monday night after hearing Dr. Frank Weaver of Raleigh, education consultant for the Department of Community Colleges, make the grar stion address. Di-

Tuesday night's exercises at Hoke High School were perhaps the most impressive ever held at the school. The gym was crowded with parents, students and friends of the graduating seniors, and the high school faculty, in academic robes, shared the platform with Autry

and other participants. Dozens of awards werehanded out Tuesday morning when Awards Day was held at Hoke High School. Announcement of the scholarship awards also was made at Commencement. Many citations were pre-

President, No Less, Arranges **Anniversary Date For Couple**

10

BY LUCY GRAY PEEBLES

A phone call from the White House can be an exciting thing, especially when it tells you that you can spend a whole day with your soldier husband.

To have a whole day with her spouse was a privilege Mrs. George Phillips (the former Nita Parker) wasn't expecting to happen for some time, but a little ingenuity turned the

Since Phillips was inducted a few weeks ago, she has only been allowed to talk to him 10 or 15 minutes on Sunday when she would visit him. The last visit she made was not able to talk to him at al.. Plans of long standing for celebrating their

first wedding anniversary in a big way were squelched on the day he was inducted. Chatting with him on one of the visits, she

wistfully expressed a yearning for a miracle to happen which would give them that special day together. "I doubt if anybody short of the president, himself, could do that," her husband had remarked.

Sunday before last George's parents, Mr. and Mrs. Fellx Phillips of Green Street, and Nita came home disappointed. They had made the trip to Fort Bragg and had not been able to visit with the trainee. Nits made up her mind to try something. If the president was the only one who could

get her access to her husband, then she would

write to the president. This she did and on the following Tuesday when the phone rang and the Washington, D.C. voice answered, she nearly fainted. Her young husband had working with hand grenades and she just something had happend. But that wasn't knew it at all.

voice at the other and was the presi-The dent's secretary and before she knew was really happening, he told her that she would be allowed to spend a day with her husband. Orders had been forwarded to George's commanding officer, the voice said, and everything would be all set when she arrived at the base early Sunday morning,

Private Phillips was able to call his wife Friday night to tell her that he could meet her after 10 o'clock Sunday morning. They could spend the day together, but it must be

spent on the post. The young wife took a picnic lunch and they sat in the shade on the grass and enjoyed it. The day was over all too quickly. It was a pleasant one, weatherwise, and a happy one for the young couple. Although it came two days before the June 7 anniversary date, it will always be remembered as an anniversary celebration.

Mrs. Phillips is a daughter of Mrs. Leo Parker of Raeford and a granddaughter of Mrs. Henry Terrell of West Fifth Street, where she will live while her husband is in service.

maintenance and repair, \$31,-405; sewer plant operation, \$26,798; total water - sewer, \$200,950. 1968 - 69 budget es-

The timates (general fund) show a revenue increase of approximately \$9,000 above the 1967-08 budget," the report declar-ed, "This revenue is b a result of added property valuation and. of course, property taxes, The expenditure of this increased revenue will be for salary increases amounting to approx-imately a 5 per cent average; and also an item of \$2,000 to update the zoning and planning program."

Meanwhile, commissioners Monday night appointed Frank-lin Teal, commissioner, to serve as toon treasurer.

The appointment was neces-sary, board members said, to give someone authority to sign payroll and other checks, since the town no longer has a town manager.

d Williams, who had served that post some five years, left here June 1 to become town manager at Erwin.

Silver City

Singing Set

The Silver City Community Club will celebrate its 14th anniversary by sponsoring a musical program in the manner of a community sing Sunday,

All choirs in the area are invited to participate. The program will be held at Silver Grove Baptist Church beginning at 7 p. m.

Proceeds will go toward a clean-op and beautification program at Silver City Community Cemetery.

CLINC -- Raeford Lions Club sponsored a glaucoma clinic here Tuesday, attracting almost 500 local residents to the examinations, held at Raeford Methodist Church, Here, a visitor to the clinic takes a basic eye test for visual acuity. The examinations also included one for deten-tion of diabetes. There was no charge for the services, sponsored by Lions as part of their program to help the blind and visually handicapped.
