The appointment of Mrs. Ed Murray as Campaign Chairman was disclosed. City chairman is Mike Wood and Rural chairman is Wendell Young.

Wood reported that the key committee chairmen in the month-long campaign will include: Bobby Conoly, treasurer; William McDonald, Business Days; Mrs. Grover Owens, Special Events; Jerry Goza, Heart Sunday; Mrs. Harry McLean, publicity.

The 1969 Heart Fund goal in Hoke County is \$1,850, as reported by Mrs. Murray. "The American male comes in various sizes, shapes, and conditions. But statistics show that a great many of these lovable unsuspecting Americans have one thing in common, they are headed for the kind of trouble that can spell heart attack. Fortunately, there are some steps that can be taken to reduce the risks and one of these steps is underscored in 'Eat To Your Heart's Content'." said Mrs. Murray. "Your Heart Association has just purchased a copy of the American Heart Association film 'Eat To Your Heart's Content.'" This film is played for humor with a light bouncy touch that hits the high spots in the importance of diet and takes saturated fats and cholesterol to task for their part in helping set the stage for heart attack. However, the most important point it makes is that one doesn't have to take the fun out of food.

The film, narrated by Tony Randall, is in color and runs for thirteen minutes. It is extremely well produced and would make an excellent film for showing to church groups, civic clubs, adult education groups, and business and professional clubs, Mrs. Murray said. It is available for showing

The next big event in scouting is the annual observance of Anniversary Week to be celebrated February 7-13 at which time, all units will try to make the public and scouting families familiar with the program. Open houses and Blue and Gold Banquets for cub scouts and their parents will be held. The Boy Scout Show for scouts, cubs and explorers of the Cape Fear Area Council has been postponed from February 15, until October 18.
