SAM C. MORRIS

Israel Mann, goodwill ambassador for Raeford and Hoke County, was in the office last week to give me some information concerning the annual Kiwanis Club Pancake Supper. The feed will be held Thursday night, December 4, 1969 beginning at 5:00 P.M. at the W. T. Gibson School Cafeteria. For the past few years the supper has been held at the J. W. McLaughlin School Cafeteria but it seems that the tables and chairs at that school are for the first grade students, so the Kiwanians felt it would be best to change the location.

Mr. Mann stated that this was the 15th Pancake Supper put on by the Kiwanis Club. It all started back in 1955 and he has had a great deal to do with the success of the suppers. The money raised at these feeds is used by the club for civic projects, according to Israel, and a list of these will be forthcoming in a more detailed write up concerning the feed.

The editor and Israel were discussing about the use of sausage at the feed and Israel had the following to say. He said when he called up the Jesse Jones Sausage Company one year that he was doing everything in his power to get the sausage very cheap. Israel told the man that it was the best sausage and seasoned to perfection. Israel says the man wanted to know how he knew when he couldn't eat sausage. He got the sausage for the feed, anyway.

A note signed "A Friend" informs us of a Hoke County soldier in Vietnam. He is William A. Conoly and is stationed at Bien Hoa. The writer states that with Christmas coming soon that he knows this soldier would appreciate a note from Hoke County folks. If you have extra Christmas cards be sure to send some to the men in the service. We know from experience that mail is a morale booster when you are in the service away from home.

The address of the soldier is:

Younger Sneed, Jr. had the program at the meeting of the Raeford Kiwanis Club last Thursday night. He had the Scoutmaster of the Kiwanis sponsored troop and the assistant scoutmaster and one of the scouts to give the program. The Scoutmaster is George Ashley, Jr., the Assistant, Bob Averette and the Scout was Lee Gillis. Ashley and Gillis told of their trip during the summer to the Scout Jamboree in Idaho and Averette told of the camping trip the boys took the week end of the wind storm. The program was well received and we think everyone should appreciate the time taken by certain men to keep the scout movement going in Hoke County. The Hoke United Fund raises the money for the scout troops in Hoke County.

During the program last week at the Kiwanis Club the Lt. Gov. of the district made a visit. He is Ike O'Hanlon, former Cumberland County Representative to the General Assembly. Most of his comments were about a baseball game that took place here about 1928 between Fayetteville and Raeford High Schools. It seems that Dunk McNeill was pitching for Raeford and Ike for Fayetteville. Ike said he closed his eyes and hit one of Dunk's pitches out the playing area, no fences in those days, into the cemetery. That Ike's story. He did say Raeford won the game 4-2.

If my memory serves me right I believe Fayetteville beat Raeford 6-0 in football in 1920 or 1921 and went on to win the State Championship. After that Fayetteville High didn't win another sports event from Raeford until 1935. So maybe Ike should remember closing his eyes and hitting a home run.

Horace Stogner, Jr. who has two tours of duty in Vietnam, was by the office Tuesday and said that people who want to send Christmas parcel packages to the troops in Vietnam and want to make sure they are prepared properly should contact him and he would be glad to help. Stogner said that if they were incorrectly addressed the men at the post office would open them, take what they wanted from the parcels and pitch the other in a trash dump. So be sure to contact him if you need any assistance.

Five people were taken to Cape Fear Valley Hospital for treatment of injuries sustained in a head on collision that took place on US 401 Bypass at the intersection of North Main Street Sunday evening about 7:30 p.m.

According to investigating patrolman J. E. Stanley, a late model car driven by Walter J. Holt of Raeford turned into the path of a vehicle driven by Jesse Bryant King of Clinton.

King and three members of his family were traveling north on US 401 and Holt was attempting to turn off the busy highway onto North Main Street.

All five people involved in the wreck were taken to the hospital by members of the Hoke County Rescue Squad. The injured were listed as Jesse Bryant King, his wife Jackie and their son and daughter, Mike and Mitzi. Walter Holt was also taken to the hospital, treated and later released.

Holt was charged with driving under the influence.

At the scene of the accident, George Hollingsworth was arrested for interfering with a police officer while performing his duty after he allegedly interfered with Trooper J. E. Stanley during his investigation.

According to a report from Trooper Stanley, Hollingsworth resisted arrest. Stanley had to get help from Sheriff deputies Harvey Young and Robert Locklear in order to take Hollingsworth to the Hoke County Jail.

Hollingsworth was charged with interfering with a police officer while in the performance of his duties, resisting arrest, and assault on an officer. Hollingsworth's wife was charged with interfering with a police officer while in the performance of his duties and assault on an officer. Hollingsworth was released under a bond of \$1,000 and his wife under a \$250 bond.

Hollingsworth and his wife filed assault charges against Trooper Stanley and Deputies Young and Locklear.
