Welcome To Stereo World and Welcome To Janis Joplin Stereo World.

Raeford's only complete music supermarket, Has been appointed a ticket agent for the Janis Joplin concert on Sunday, Nov. 30 at seven p.m. in the Cumberland County Auditorium, Fayetteville. Reserved seats at \$6.50, \$5.50, \$4.50 and \$3.50.

JANIS JOPLIN - The legendary blues singer will perform at Fayetteville's County Auditorium on Sunday, November 30, in a concert beginning at seven p. m. Janis Joplin is a legend while still in her twenties because she is the Jackie Robinson of her race. She is the first white blues singer to gain dominance in a field once considered to be closed to any but Negro artists. Miss Joplin is known for her screaming, emotional style of singing. Reserved seats for the concert are on sale in Raeford at the Stereo World and the Record Room, or can be ordered by mail from the Cumberland County Auditorium, Fayetteville 28301. Ticket prices range from \$3.50 to \$6.50.

PERSONALS

Mr. and Mrs. E. A. Davis of High Point spent the weekend with Mrs. Mary Lilly.

Mr. and Mrs. Ed Smith and Mr. and Mrs. Jesse Gullidge attended the funeral of Benny Davis in Council on Sunday.

Hoke Extension News

Miss Brenda Abrams, assistant home economics extension agent, reports that approximately twenty women attended the workshop on Invisible Zippers. For the benefit of those who could not attend some tips on applying these zippers are: apply tension to the fabric and zipper during the stitching to reduce pucker; hold the fabric and zipper together both in front and behind the needle; do not pull on the zipper when stitching; cross seams such as waist, and yoke should be pressed open before you apply the zipper; to

assure the matching of plaids and stripes after stitching one side of the Invisible Zipper, position the other side and hold in place by the use of zipper adhesive or scotch tape and facings are best applied after zipper application. The best method to use in applying your facing to reduce bulk is (1) Staystitch neckline on 5/8" seamline. Using small stitches, reinforce 1" from center back. Clip seam allowance to reinforcement stitching. Fold and press down the 1" of seam allowance. Install your zipper according to instructions. (2) After applying zipper, apply your facing. Fold back and press facing 1" from center back; stitch facing to neckline. Trim and clip seam, turn, press and understitch.

When sewing with polyester knits it is desirable to use synthetic thread. It is very important that the knit is not stretched when installing the zipper. This can be accomplished by adjusting the sewing machine to a lighter pressure setting and lengthening the stitch. Do not pull the fabric but allow it to feed through machine.

If there are any questions about applying invisible zippers please feel free to call the county extension office 875-2162 or come by.
