

**MASONS INSTALLED** -- Raeford Masons held their installation ceremony for officers for 1970, Tuesday night at the Masonic Lodge. They are, from left to right, Joe Dupree, Treasurer; Harless Wright, Junior Warden; June Rogers, Worshipful Master; Lester Sessoms, Senior Warden; and Bobby McBryde, Secretary. Second row, Joe Stanley, Senior Deacon; Woodrow Hays, Senior Steward; Alfred Long, Jr., Tyler; and James Potter, Junior Deacon. D. F. Truelove, Junior Steward and Smith McInnis, Chaplain, were not present when this photograph was taken.

## Space Center Doctor Joins As Burlington Medical Director

Burlington Industries announced today the appointment of Dr. Harold R. Imbus, deputy director of medical services at Kennedy Space Center, as director of the Company's medical services.

Charles A. McLendon, Burlington vice president for personnel, said Dr. Imbus will administer the Company's program of medical and occupational health services. He will join Burlington February 1.

A native of Cincinnati, Dr. Imbus has a background of training and experience in occupational medicine. He holds two doctoral degrees, MD and Doctor of Science in industrial medicine, from the University of Cincinnati and a B.S. degree from the University of Notre Dame.

After medical college and a year of internship in Miami, Fla., he practiced general medicine for a year in Williston, Fla., before serving two years as a lieutenant in the Navy Medical Corps. His Navy duty ended in 1958 and he returned to the University of Cincinnati where he completed his doctorate in industrial medicine in 1961.

He then taught for a year at the university's Institute of Industrial Health before entering a partnership in the private practice of occupational medicine in the Marion, Ohio, area. For the next several years, he

established and maintained occupational health programs for industrial plants in the area before accepting the position at the Space Center in July, 1968.

Dr. Imbus is certified in occupational medicine by the

American Board of Preventive Medicine. He is a member of several national, state and local medical organizations and has written articles on occupational health for medical journals.

He has been active in a

number of voluntary health, school and civic organizations. His hobbies include flying and he has his private pilot's license. He is married to the former Elizabeth Ann Turner of Pittsfield, Mass., and they have five children.

### Men In Service

Army Staff Sergeant Carl Davis, son of Mrs. Mattie B. Davis, 482 N. Vance St., Red Springs, re-enlisted in the Regular Army for six years Dec. 27 near Cam Ranh Bay, Vietnam.

S. Sgt. Davis, a mess sergeant with the 155th Transportation Battalion, entered the Army in June 1956 and was stationed at Ft. Bragg, before arriving overseas in December 1969.

His wife, Betty, lives at 319 W. Sixth Ave., Red Springs.

Technical Sergeant Floyd McNeill, brother of J. Robert McNeill of Raeford, is a member of a unit that has earned the U. S. Air Force Outstanding Unit Award.

Sergeant McNeill, an armament systems technician in the 552nd Airborne Early Warning and Control Wing at McClellan AFB, Calif., will wear a distinctive service ribbon to mark his affiliation with the wing.

The 552nd was cited for exceptionally meritorious service in providing vital airborne warning and control capability to allied forces operating in Vietnam.

The wing is part of the Aerospace Defense Command which protects the U. S. against hostile aircraft and missiles.

Sergeant McNeill attended Hoke County High School and has served in Vietnam. He has two sisters, Mrs. C. M. Willis and Mrs. E. B. Newton and a brother, W. E. McNeill, that also resides in Raeford.

His wife is the former Joyce O. Royal.

Airman First Class Neil G. McLean, son of Mr. and Mrs. H. G. McLean of Rt. 2, Raeford is on duty at Takhli Royal Thai AFB, Thailand.

Airman McLean is a missile electronic systems specialist with the 355th Munitions Maintenance Squadron, a unit of the Pacific Air Forces, headquarters for air operations in Southeast Asia, the Far East and the Pacific area. He previously served at Myrtle

### Beach AFB, S. C.

The airman, a 1966 graduate of Hoke County High School, attended Central Piedmont Com. College, Charlotte, N.C., and holds an A.A.S. degree.

His wife, Robbie, is the daughter of William F. Hendrix of Rt. 1, Raeford.

Airman Harriett L. Webb, daughter of Mr. and Mrs. Reuben H. Webb of Rt. 3, Raeford, has graduated at Lowry AFB, Colo., from the U.S. Air Force supply inventory specialist course.

The airman was trained to inventory supplies by use of electronic data processing machines.

Airman Webb, a 1967 graduate of Hoke High School, attended Richmond Technical Institute, Hamlet.

### OEO Programs To Continue

Moore, Lee, Hoke and Montgomery Counties have received a federal grant of \$284,000 for a 12-month, five-part community action program. The announcement was made today by W. Astor Kirk, Director, Middle Atlantic Region, OEO.

The applicant agency is the Sandhills Community Action Program, Inc., and the local share of the grant is \$96,320. James R. Fout, Jr. is the executive director, with offices located in Carthage.

The first component, Community Action Agency Administration (funded at \$64,849 and staffed with three professionals and three non-professionals), will enable the CAA to continue with its on-going programs.

Component two, Community Organization (funded at \$117,196 and staffed with one professional and 13 non-professionals), will endeavor to incorporate the existing 32 community organizations, emphasizing leadership mechanics.

The third component, Manpower (funded at \$34,955 and staffed with one professional and three non-professionals), will coordinate the processing of 200 individuals through pre-vocational and vocational training.

Component four, Family Planning (funded at \$23,000 and staffed with five professionals), will provide for counseling and educational materials.

The final component, an Emergency Food program (funded at \$44,000 and staffed with one professional and two non-professionals), will continue and expand the present program, concerned with hunger and malnutrition.

### Veterans Corner

**EDITOR'S NOTE:** Below are authoritative answers by the Veterans Administration to some of the many current questions from former servicemen and their families. Further information on veterans benefits may be obtained at any VA office.

**Q** -- How much can I borrow on my 20-payment life insurance policy which is now over 12 years old? What will be the rate of interest?

**A** -- You may borrow 94 per cent of the cash reserve value after the policy has been in force for one year. This simply means that the longer the policy is in force, the greater the cash surrender and loan values. Read your policy for complete information or write to the office where you pay your premiums. The interest rate is 4 per cent yearly.

**Q** -- I am a World War II veteran. Does the new G.I. Bill which went into effect on October 1, 1967, extend my eligibility for a G.I. loan to July 25, 1970?

**A** -- Not necessarily. The Veterans' Pension and Readjustment Assistance Act of 1967 extended the final cut-off date for certain veterans to July 25, 1970... your deadline for using your G.I. home loan entitlement depends upon your date of discharge from service and the length of time you served in the Armed Forces. Contact the VA.

**Q** -- I would like to know the address of my son's father whom I divorced in 1955, and also the amount of money he is receiving from the VA. Can you furnish this?

**A** -- Unless the veteran desires that you have his address, the VA cannot give it to you, even if the VA has it.

# These new homes were built with electric heat.

## What About Operating Costs?

The E. L. Maye Home, Spring Lake 1680 square feet

Mrs. Maye says, "We have used all three major fuels and have found electric heat to be the most satisfying. Our new house stays cleaner than any other house we have ever had and we attribute this to electric heat. Our electric heat is more economical than any other type of heat we have ever had."

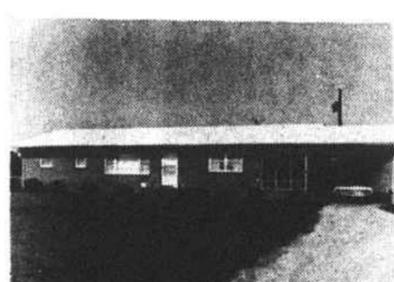

Average monthly electric bill (everything included)—\$27.31.

The C. T. Gschwind Home, Aberdeen 2486 square feet

Mr. Gschwind says, "Our home is eight years old and we still haven't had to paint it. It is the cleanest and most comfortable heating system there is. We think it is very efficient and economical. We have never had a repair bill . . ."

Average monthly electric bill (everything included)—\$39.97.

The Tommy Brooks Home, Pittsboro 1700 square feet

Mrs. Brooks says, "One outstanding feature of our electric heat is the room-by-room control. If we had not installed electric base-board heating, I would be constantly worried about the comfort of my small children . . ."

Average monthly electric bill (everything included)—\$26.24.

Judge for yourself.

Naturally, costs vary according to family habits, the number of appliances, and other factors.

So call the nearest CP&L office and get the full story, including operating cost estimates.

No obligation, of course.
