rent in our spacious mobile home park when you buy, or you can own your own ½ acre lot for as little as \$20.00 per month. Call -276-0015 collect. Also

rental homes and lots for rent.

## Wheat Referendum Announced

Secretary of Agriculture crop \$2.54 per bushel or 90 Clifford M. Hardin today percent of parity as of July 1, announced 1971 - crop wheat price - support loan levels and will be issued on about 535 other program details necessary for producer participation in a July 27-31 mail referendum on marketing quotas proclaimed earlier. The referendum on marketing quotas proclaimed earlier. The referendum is mandatory under current law in the absence of new legislation for the 1971 wheat

crop.
All persons who have a legal interest in the approximately 1.6 million wheat allot ments of record will be eligible to participate in the referendum

If two-thirds or more the producers voting in the referendum indicate "YIS" to marketing quotas (based on a national quota of 1,210 million bushels resulting in a national allotment of 43.5 million acres,) the national average price-support loan rate will be \$1.15 per bushel and the domestic marketing certificates will have a value of \$1,39 per bushel making the total price support on that portion of the

percent of parity as of July 1, 1970. Domestic certificates will be issued on about 535 million bushels. Production in excess of quotas will be subject to penalty. Signed ballots need to be mailed or delivered to the county offices by July 31.

Preliminary results of the referendum will be compiled and announced by USDA on or shortly after August 5.

If the referendum fails to carry, the loan rate is mandatory at 50 percent of July 1971 parity. This would be \$1.41 per bushel based on current parity. following are other

applicable conditions a "Yes" of a "No" vote in the referendum under existing law It marketing quotas for the 1971 crop are approved by a

Domestic wheat on the production on the alloted acres of participating

Required diversion will be 5.25 percent of the producer's 1972 albatument (it is 30.3 percent for 1970). This diversion of land to non-crop is required by applicable

Substitution between wheat and grain acreages, which has been effect under the 1970 and eather programs, will not be in effect for 1971 there is no legistation

making this possible.

4 Marketing quota penalties will be applicable on wheat produced on acreage in excess of the farm allotment, amounting to 65 percent of May 1, 1071, wheat parity plus a percent loss of allotment in and subsequent years. However, if excess wheat is

delivered to the Government, or is stored for release in a subsequent year by underproduction, the producer can avoid the menetary and acreage penalties and qualify for price support on production form the allotment, as well as for cetificate payments, provided other program requirements are met. Additionally under some circustances, a land use penalty ma ay also be assed if a crop is harvested on acreage required

to be diverted. 5. Export marketing certificate payments will be made to produce if the total value of export certificates collected by Commodity Credit Corporation from the exporters exceeds the total export subsidies paid by CCC to exporters. Any such excess will be made available pro rata to participating producers at the end of the 1971 marketing year.

1F marketing quotas for the 1971 crop are not approved: 1. The national wheat allotment of 43.5 million acres

will remain in effect. 2. Price-support loans at 50 percent of parity will be available to producers who stay within their allotments and comply with applicable terms and conditions.

3. There will be no

marketing quota or land use menetary penalties.

4. Wheat acreage harvested in excess of 1971 farm allotments will result in a 7 percent loss of allotment in 1973 and subsequent years. The North Carolina wheat

allotment has been reduced from 346,292 acres in 1970 to 307,624 acres for 1971. The national allotment is reduced from 45 500 000 acres in 1970 43.500.000 acres for 1971.

THURSDAY, JULY 16, 1970

He made it again another vessel, as seemed good to the potter to make it. (Jeremiah 18:4)

Down the years, scarred, uscless lives have been restored by the forgiving, life-giving touch of the Master's hand.

Jairus's daughter renounced dead was rasied to lite by the Master's touch. Two men physically blind were touched by Jesus, and their eyes were opened. Christ took a deaf and dumb man aside, put His finger in his ears, and touched his tongue; and the man's ears were opened and his tongue loosed.

By the same divine touch you and I, who are "dead in trespasses and sins," are raised to spiritual life. By the touch of the Master, our eyes, blind to spititual values, become opened. Our deafness to God's voice and dumbness in Christian witness are overcome

Christian witness are overcome by the Lord's divine action. You and I do not know what the Lord can do in our lives until we have faith in Him and let Him touch our sin-scarred lives. He brings new joy into our hearts and remakes us into vessels of love and service useful to Him and

the kingdom.
PRAYER: Beloved Master. as in penitence we come before Thee, touch us again with Thy-nail-scarred hand and restore us to purer living and more dedicated service; through Jesus Christ our Lord.

THE THOUGHT FOR THE

DAY
The redeeming touch of the Master — this is the greatest
