## Girl Scouts Celebrate

The Girl Scouts from Neighborhood No. 32 (Hoke County) celebrated their founders birthday on Halloween. Juliette Gordon Low (1860 - 1927), who established the Girl Scouts of the U.S.A., was born on October 31st. A world Friendship Fund was started in her honor after her death to help Girl Scouts to visit and learn about other countries and other Girl Scouts and Girl Guides to visit and learn about the United States.

The party was held in the National Guard Armory from 1 to 3 P.M. Saturday afternoon. 120 girls representing 10 troops and 28 parents and leaders attended. The program included a Flag Ceremony, costume parade, songs, games, and relays. The best costumes were chosen from the following troops: No. 136 - Sarah Gaddy; No. 528 - Pam Hardin; No. 190 - Gay Ivey; No. 352 - Carolyn Wilburn; No. 521 - Brenda Leslie; No. 421 - Martha Smith; No. 397 - Cassandra Kemp; New South Hoke Troop - Jean Oxendine.

Girls from the four levels of Scouting gave the story of Juliette Low and the history of the World Friendship Fund. They were: Seniors - Betsy Postel; Cadettes - Kathy Leach; Juniors - Ann Furr; Brownies - Martha Smith. The girls repeated the Girl Scout Promise to show their own desires to pattern their lives by living up to the ideas of Girl Scouting. The girls put their pennies or nickels or dimes in a bank decorated in the shape of a birthday cake to be sent to the World Friendship Fund from this Neighborhood. "Happy Birthday" pins were given to each girl as a surprise from Donna Clifton, Linda Kay Harrell and Betsy Postel. All sang "Happy Birthday" and enjoyed Kool Aid and birthday cake decorated by Mrs. Leverne Clifton and Mrs. Milo Postel.

**GOBLINS GATHER** - The Junior Girl Scouts celebrated Halloween with a costume party Monday at the Methodist Church. Mrs. Leverne Clifton demonstrated cake decorating to the girls. Scouts shown are (back row left to right) Linda Croft, Mrs. George Ashley, leader, Margaret Postel, Mary Lynn McKenzie, Kay Clifton, Mrs. Hank Richards, leader, Lynn Gaddy and Mrs. Leverne Clifton. Front row left to right are Bonita Edmund, Teresa Drem, Debra Bounds, Kathy Leach, Joanna Best, Sue Moore and Susan Croft. (Photo by Kim Gilmore)

## Birds Winging South In Autumn Migration

That harbinger of winter-robin redbreast-is on the wing, flying south. For Guatemalans, the first robin can be as sure a sign of coming winter as it is a traditional herald of spring when it flies north with the melting of snow in Illinois and New Jersey.

The robin is only one among the thousands of species of birds billions strong now taking to the air in another repeat performance of one of nature's greatest spectacles: the twice-yearly migration of the birds.

After centuries of watching in wonderment, man still does not exactly know how or why birds may fly perhaps a third or more the width of the world every autumn, and then return to their breeding grounds-sometimes to the same nest-in the spring.

Scientists' elaborate experiments indicate that some birds, at least, may actually use sightings of the sun and stars. Other theories indicate they may find their way by somehow sensing the varying forces of gravity and magnetic attraction around the Earth, or by reacting to the Coriolis

force produced by the Earth's rotation. But birds are also apparently not above taking shortcuts on their migrations. Swiss birdwatchers have reported swallows flying through a four-mile mountain tunnel to Italy-better than flying over the 8,000-foot Alps.

## Craft Ideas For Gifts

By Brenda Abrams

From now until Christmas we will be giving craft ideas that you might use as gifts. The following instructions are for making placemats.

1. Cut fabric 13 inches wide by 19 inches long. Cut 2 pockets.
2. Turn under 1/4 inch of material all around place mats. Press hem down. Now, turn down another 1/4 inch and baste down. Finished size of place mats should be 12 inches wide

3. Now let's put the decorative stitches around place mats. Cut a strand of 6 strand embroidery thread 1/2 yard long. Use two strands at a time to sew with.
4. Make 2 rows of long and short stitches all around place mats. Have the long stitches on the top side. Stitches should be 1/4 inch long.
5. Turn under 1/4 inch of material across top of pocket. Press hem down. Now turn down another 1/4 inch of material and baste down. With 2 strands of embroidery thread make 2 rows of long and short stitches across top of pocket. Turn down 1/4 inch around sides and bottom of pocket. Baste down.
6. Place pocket in lower left hand corner of place mat, with point of pocket 1" from finished bottom edge of place mat. Side of pocket should be 1 inch from finished side of place mat. Pin the pocket in place.
7. With embroidery thread make 2 rows of long and short stitches around the other 3 sides of pocket, sewing the pocket to place mat.
8. Cut napkin from printed fabric into two 18 x 18 inch squares.
9. With 1 strand of er-broidery thread, whip stitch a very small hem around each square.
10. Press place mats and napkins. Insert napkin in pocket of place mat.

## Conservation Rally Slated

Area VII of the North Carolina Association of Soil and Water Conservation Districts will hold its Annual Fall Rally at the Samarcand Manor, located on Highway 211 between Eagle Springs and Candor, North Carolina on November 10, at 6:30 p.m.

Area VII is comprised of the following counties: Anson, Harnett, Hoke, Lee, Montgomery, Moore, Richmond, Scotland, Stanly, and Union.

Dr. Raymond Stone, President of the Sandhills Community College, will give the principal address. James Fulk, Area VII Chairman, announced that supervisors and their wives from the ten counties in Area VII are expected to attend. County Commissioners, local Agricultural leaders, and representatives of State and Federal Agricultural Agencies are invited guests.

Soil and Water Conservation District Supervisors in the Area and throughout North Carolina are increasingly concerned with developing better conservation programs for both rural and urban use. Rallies, such as the Area VII Rally, highlight the previous year's accomplishments and establish goals for the future.

Homegrown weather prophets predict a hard winter when trees have heavy budding in spring, plentiful summer foliage, brilliant autumn colors, leaves hanging onto branches long after frost, and new twigs that turn dark quickly.

The Jordan River rises on the slopes of Mount Hermon, then descends sharply as it flows through the Sea of Galilee before emptying into the Dead Sea, 1,290 feet below sea level. Hydrographic surveys have shown the river could provide power and irrigation for Jordan, Syria, Lebanon, and Israel if peace comes to the Middle East, the National Geographic Society says.

In 1940, Bogey played Chips Maguire in "It All Came True." You paid 20 cents to watch. And if you were really in the money, you had a nickel left over for a bag of popcorn. Since then, the cost of living has gone up about 160 percent. But the average price of electricity for your home has gone down. Today, it's just about half what it was when the chips were down for bad guy Maguire.

## ---GARBAGE---

Continued from page 1

the city of Raeford. Tax or non-tax funds can not be granted by the county to the city for use in constructing water or sewers, Hostetler said. Non-tax funds may be granted for use in promoting industry, but the board may not commit funds for more than one year at a time. The city has requested aid from the county in expanding water and sewer service to a new textile factory now under construction on South Main Street.

The board approved a resolution adding the library employees to the county retirement program. A request to include on the state maintenance system a road in Ashley Heights leading to the Wilson settlement was accepted by the commissioners.

Reports from the tax collector, the county home economics agent and the farm agent were heard.

The board authorized county manager T.B. Lester to attend a conference for tax supervisors at Chapel Hill Nov. 18, 19, and 20.

A joint meeting of the commissioners and the county board of health was scheduled Thursday at 7:30 p.m. in the Board of Health building to approve the

blueprints of the addition to the health building.

The request for funds for the summer recreation program and the action by the city in appropriating \$1,500 for the program on the condition that the remainder be provided by the county was discussed by the commissioners. No action was taken on the matter by the board.

Robert L. Conoly, Leon Patterson and Raymond Hawkins were appointed to the fire district commission for Hillcrest.

## ---DEFERMENT---

determining their priority status on January 1 of the New Year, and to limit whenever possible the uncertainty and anxieties that young men with high lottery numbers may have.

Morris further stated that if any registrant of this local board has a question concerning the best procedure for him to follow, he should visit the local board office for information.
