**School Has
Beauty Day**

The Scurlock school, under the leadership of Mrs. C.V. Dargan, Mrs. P.J. Torrey and W. McNeill, Jr. observed the Governor's North Carolina School Beautification program.

The observance began with a kick-off parade led by Mrs. Torrey. The parade included students carrying signs and chanting the "Pledge" "I will not be a litterbug..."

Following the parade, the fifth grade teachers organized a clean-up committee which consisted of 1 or more pupils from grades 3 through 5. The pupils with the guidance of an instructor painted garbage containers and checked the building and grounds for debris each day.

All grades were responsible for making posters on some phase of beautifications, anti-litter, clean environment etc.

A first and second prize were given for the best classroom posters. Miss C. Parker and Mrs. L.M. Coleman won first and second prize respectively. Both teach second grade.

The culminating activities included the planting of Dogwood trees followed by a general parade of the school.
