

Legion Post Commended For Members

The American Legion, Department of North Carolina Headquarters in Raleigh indicates that Raeford Post No. 20 has conducted a highly successful membership drive.

W.L. Lancaster, Commander of the Post, has received a letter from Department Adjutant J. Carroll Wilson reporting that Post No. 20 has exceeded its Legion Membership Incentive Goal for 1971. The Legion Adjutant expressed congratulations and thanks to the Post Leaders and membership workers for their effort.

A statement of high praise for the local Post was issued by J. Frank Baker, of Charlotte, North Carolina, Department Commander of The American Legion.

Commander Baker said, "The membership of every Legionnaire makes it possible for The American Legion to maintain service for the sick and disabled in hospitals. Memberships make possible all the Legion programs, such as care for needy children, baseball, boys' state, boy Scout troops, oratorical contests, Community Service, law and order, and all the others. I am

proud to congratulate Post No. 20 upon this notable achievement."

Post Commander Lancaster explained that "Reach Out" the theme of this year's drive - was to remind all America that The American Legion believes in a program of better communication with the community and its Veteran citizens especially the returning Viet - Time Veterans.

"We are accepting dues payments now from Legionnaires and eligible veterans whose membership is essential if the local organization is to continue."
