Read James 4:3-10  
Humble yourselves in the sight of the Lord, and he shall lift you up. (James 4:10)  
At the age of twenty-three, Abraham Lincoln was a candidate for a seat in the Illinois General Assembly. He appealed to the independent voters of Sagamon County, saying, "I was born and have ever remained in the most humble walks of life... If the good people in their wisdom shall see fit to keep me in the background, I have been too familiar with disappointments to be very much chagrined."  
Lincoln remained humble all his life. He was not a church member; he had distaste for church creeds. In a sense he was not an orthodox Christian. But he believed that the will of God was to prevail. Without the help of God, he knew he could not succeed. In his own words, he was "a humble instrument in the hands of our Heavenly Father," and acted according to his understanding of the will of God.  
Humbleness is, indeed, one of the great human virtues.  
PRAYER: O Lord, teach us to be humble both in the victories and defeats of life. In our weakness, support us by Thy strength this day. In Christ's name we ask. Amen.  
THOUGHT FOR THE DAY: The world bestows greatness; only God can make us humble.

## Veterans Administration Offers Free Information On Benefits

WASHINGTON (ANF) - Information on the many veterans' benefits under the G.I. Bill is available at any Veterans Administration (VA) office or veterans' service organization. VA pamphlets cover the benefits and opportunities for Vietnam era veterans: medical, dental and hospital benefits; education assist-

ance for sons and daughters of veterans; and group life insurance conversion plans.

The pamphlets also include details about disability compensation and pension payments, information on the American flag for burial or memorial purposes, facts about mobile homes purchases and guaranteed loans and several other subjects.

While most veterans receive these pamphlets, frequently they fail to take the time to read them and the pamphlets become lost or discarded, according to the VA. New copies can be obtained by writing the local VA office.

VA offices are listed in the white pages of telephone directories, usually under the heading of "U.S. Government."

Central Europe's Lake Geneva, sometimes called "a wide spot in the Rhone River," is so huge that water entering the eastern end does not exit with the river at the western end until 11 years later, the National Geographic Society says.
