Registration Open Now For Punt, Pass And Kick

Registration will begin for the 1971 Punt, Pass & Kick Competition in the showroom of Raeford Auto Company. In making the announcement, Bernard Bray, president of the dealership, said: "We're looking forward to a big local PP&K competition in Raeford. We hope all the boys 8-13 years of age in this area will come in to register and take part."

Bray pointed out that PP&K - throughout its six levels of competition - is free of any charge, and that a boy need only have a parent or his guardian accompany him to the showroom to register.

"Our competition here will have 1st, 2nd and 3rd place trophies for boys in each of the six age groups, or 18 trophies in all," said Bray. "Increasing each boy's chances of winning is the fact that he competes only against other boys in his own age group," said the Ford Dealer.

"Of course there is no body contact in PP&K. It's punting, passing and place - kicking for distance and accuracy, just as the name says. First place winners in each age group in our competition will go on to the zone competition. And from there, top winners go on up the ladder through district, area, division and national finals," he said.

"This year, the national finals will be held at the Super Bowl Game January 16, 1972. The finalists and their parents as Ford's guests will tour New Orleans, enjoy a Banquet of Champions celebration, and have the chance to meet some of the top players and coaches in professional football. Naturally, we hope some of our Raeford PP&K winners will make it all the way to the finals," Bray said.

The Ford Dealer further explained that each boy upon registering receives a free PP&K Tips Book. In the 1971 edition, there are competition tips by NFL stars Dave Lewis, John Brodie and Curt Knight plus all - round suggestions from Coaches of the Year Ron McCafferty and Tom Landry.

The Tips Book also includes complete PP&K rules and helpful conditioning exercises for contestants.

PP&K registrations will close at Raeford Auto Company on October 1.

This is the 11th year PP&K has been sponsored by the Ford Dealers of America and the National Football League. In that time more than 7,000,000 boys have taken part in PP&K, making it the biggest and best youth activity of its kind in America.

Farm Items
By W. S. Young and David Bodenheimer

Did you ever think that you might have a prescription for flu-cured tobacco diseases? One has been developed by Research and Extension specialists and is known as "RX System Control." This is the time to do your planning while you remember the troubles you have had in each field. You are told what to do if the disease is bad or if you had a mild case. All this can be had by asking for Circular No. 530 from the County Agent's office.

The prospects for top crop yields should mean an increase in income on your farm this year. Part of this increase should be used to keep your soil as productive as possible.

This can be done partly by making plans to get soil tests done and liming of fields that have a need for it. Remember erosion by water and wind is taking place all the time on your farm. Also leaching occurs by percolation down through the soil. This takes nutrients and minor elements out of reach of the plants. Liming helps to put some of the materials back in the crop production layer. So get ready for next year's crops by making good plans this fall.

Vee Immunization To Be Discussed At Horse Meeting

A special meeting for all horse owners in Robeson and surrounding counties to discuss the statewide campaign to immunize horses against Venezuelan Equine Encephalomyelitis will be held at the Courthouse in Lumberton on Thursday, September 2 at 7:30 p.m.

Dr. R.F. Behlow, Extension Veterinarian from North Carolina State University, will be on hand to discuss VEE as well as Eastern and Western Encephalomyelitis. Also, Dr. Behlow will give the latest details on the statewide campaign to immunize all horses against VEE. Since the NCDA and USDA are cooperating to provide the VEE Vaccine to local veterinarians free of charge, many questions are developing concerning the methods to be used to reach all horses.

Therefore, to give more answers to these and other problems, many of our local veterinarians will be on hand to answer any questions which horse owners may have concerning their role in the immunization campaign. Also, Dr. Milton Jordan and Dr. Bill Lewis will give a brief overview of the total Encephalitis situation as it exists in our area.

Remember Traffic Pattern At Raeford Elementary

Parents bringing children to Raeford Elementary School are reminded to follow the traffic pattern established last year. J.W. Turlington, principal said.

In the morning, parents are asked to bring children to the 5th Avenue entrance and let them out on the side of the street nearest the school.

In the afternoon, children should be picked up by the gym on 5th Avenue. If they are picked up in the school yard, parents are asked to keep to the left of the yellow line in the driveway and to exit the yard driving north on Magnolia Street.

The traffic pattern was begun last year as a safety measure for the school children Turlington said.

BE IT RESOLVED, that the City Board of Commissioners of the City of Raeford, North Carolina pursuant to authority vested in it by General Statutes 18A-33 (b) (Chapter 872 of 71 Session Laws of North Carolina) does enact the following ordinance:

The sale of beer and wine or either of them shall be prohibited in the City of Raeford from 1:00 P.M. on each Sunday until 7:00 A.M. on the following Monday. This Resolution shall become effective upon its passage.

That the above Resolution shall be published once in The News-Journal and a copy shall be posted at the Courthouse for a period of thirty (30) days.

Adopted, this the 30th day of August, 1971.

CITY BOARD OF COMMISSIONERS
BY: JOHN K. McNEILL, Mayor

ATTEST:
JOHN D. GADDY, CITY MANAGER

I, JOHN D. GADDY, City Manager, do hereby certify that I am the City Manager of the City of Raeford, North Carolina, and the foregoing Resolution to prohibit the sale of beer and wine from 1:00 P.M. Sunday to 7:00 A.M. Monday was duly adopted by the Board of City Commissioners by unanimous vote, all of the commissioners being present, at a special meeting of said Board on the 30th day of August, 1971, after lawful notice duly given.

JOHN D. GADDY, CITY MANAGER

Sworn to and subscribed before me this the 30th August, 1971, William M. McDuffie. My commission expires: 2-18-76

It is my opinion that G.S. 14-4 and G.S. 158-9 (55) have no application to the above.
