THE '73 FORDS ARE HERE.

At 60 mph a '73 Ford LTD rode quieter than an airborne glider. Quiet is the sound of a well-made car. And the new LTD is well made in every sense of the word. That's why it's so quiet. Outside it has all-new styling. And inside you'll enjoy luxury, comfort and room—with power front disc brakes, power steering and automatic transmission as standard equipment.

THE QUIET 1973 FORD LTD BROUGHAM (shown with optional Deluxe Bumper Group, Convenience Group, deluxe wheel covers, front corner lamps and whitewall tires).

A '73 Torino rode so smooth, a high wire artist kept balance on a road of 2x4's. Smooth riding, strong and quiet—the solid mid-size car. You'll appreciate how the new Torino's refined suspension helps to cushion bumps, absorb road vibrations and reduce body sway. You feel solidly in control when you ride in comfort and luxury.

THE SOLID 1973 FORD TORINO BROUGHAM (shown with optional front bumper guards, deluxe wheel covers and whitewall tires).

'73 Pinto: When you get back to basics, you get back to Ford. When you get back to basics, you get back to Ford: the new Pinto. Every '73 Pinto has rack-and-pinion steering. A solid welded body, electrocoated to fight corrosion. 4-speed transmission—lubed for life. All in all, everything we've learned in seventy years of car making—all the basics—we built into every Pinto Wagon, Runabout and Sedan. That's why it's become America's top selling economy car.

THE 1973 PINTO WAGON (shown with 3400 cc. V-6 engine, 4-speed manual transmission, Deluxe Bumper Group, whitewall tires).

There are 39 new models to choose from. Every '73 Ford, Thunderbird, Torino, Mustang, Mustang and Pinto comes equipped with new energy-absorbing bumpers and shock absorbers in all-side doors. Steel-bolted rubber ply tires are standard on all models.
