Bowling News

by Helen R. Smith

Burlington Bowlers met in league action last week and several members bowled over 500 series. High series went to Howard Taylor with a 557. Si Glines had a 529 followed by Charlie Smith, 520; G. McKoy 516; J. Melton, 509; and N. Schmitt, 502.

Taylor posted the two highest games of the evening with a 209 and 207. Glines posted a 204.

The Gravediggers met the Twisters taking two games. The Alley Cats and the Sparemakers met with the Alley Cats winning two and the High Balls lost two to Johnnies Goodies. April 23 will be the final night of league bowling.

Top Ten

C. Smith holds the top game average with a 175. He is followed by B. Elledge, 167; Taylor, 165; Glines, 161; R. Inman, 158; Schmitt, 158; R. Taylor, 157; R. Morgan, 157; J. Melton, 156; and A. Leggett, 151.

Team Standings

Leading the league are the Alley Cats with 19 wins and 11 losses. Close behind are Johnnies Goodies with 18 1/2 wins and 11 1/2 losses. In third place, the Twisters have 16 1/2 wins and 13 1/2 losses. The Gravediggers have a 14 and 16 record, the High Balls, 12 1/2 and 17 1/2, and the Sparemakers are last with 9 1/2 and 18 1/2.

Veterans Corner

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q -- I was honorably discharged about 20 years ago after four years of military service. Am I still eligible for a GI loan?

A -- Yes. The Veterans' Housing Act of 1970 removed deadlines for using GI loan entitlement for veterans of World War II and later periods.

Q -- I am a veteran with a 60 percent service connected disability. Will the Veterans Administration pay me additional compensation for my son who was born two months ago?

A -- Yes, provided you file a claim within one year of your son's birth.

Q -- The Veterans Administration turned down my disability claim, and I'd like to contest the decision. How do I go about doing this?

A -- You should, within a year, file a notice of disagreement with your state VA regional office, which will review the claim and provide a statement of facts. If still not satisfied with the decision, you may appeal it to the VA Board of Appeals in Washington. You may appear in person, or have someone or an organization represent you.

Hint

Chips or snacks in the glaze of dishes may allow bacteria to build up in the exposed porous material and become a threat to the family's health.

Agents' Notes

Homemakers who prefer natural products are finding a solution to their cleaning needs in baking soda. It's pure and safe, won't scratch, and doesn't pollute. Like a magic genie, baking soda can replace a whole shelf full of specialized cleaners.

In The Kitchen

Refrigerator: Clean and deodorize inside and out with a solution of three tablespoons baking soda per quart of water. After cleaning, leave a box of soda, with top removed, in the refrigerator to absorb odors as they occur. Stir up the soda now and then, to keep a fresh layer on top. After about two months, put in a new box, and pour the old box down the drains throughout the house to make them fresher and sweeter smelling.

Range (Exterior): A baking soda solution will safely clean and deodorize all types of surfaces. Use dry soda to scour difficult spots. It doesn't scratch. Chrome Trim: Clean with baking soda solution and polish dry with soft cloth. Scour with dry soda if needed. It will not scratch the trim.

Range top and backsplash: Use a baking soda solution to wipe up grease splatters. Use dry soda and a moist sponge to scour off burned-on foods. Good for conventional and smooth top ranges.

Fire: Keep a coffee can filled with dry soda close to the range. If a grease fire should occur, toss handfuls of soda

at the base of the flames. When heated, the soda releases carbon dioxide and immediately extinguishes the flames. Then simply rinse the soda off the food, and start cooking again. Soda's pure and safe - won't hurt the food.

Dishwasher: A handful of baking soda sprinkled over the bottom of the machine helps reduce odor build-up when dishes are left in the dishwasher for any period of time.

General Cleaning

Floors: Use dry baking soda on a dampened sponge to remove black heelmarks and other difficult stains.

Rugs: To remove grease stains, rub dry baking soda into nap. Let stand. Vacuum.

Painted walls, woodwork, washable wallpaper: Wash with solution of 3 tablespoons baking soda per gallon of water.

School Menu

FRIDAY, MARCH 22

TOPLESS

Now at some notions counters you can buy a topless thimble. Tailors have used this type of thimble for years, says Harriet Tutterow, extension clothing specialist, North Carolina State University. Now home seamstresses can buy a brass rust-proof thimble that is open ended. It comes in sizes 7, 8, 9, 10 and 11.

August Bride-Elect

Mr. and Mrs. James Donald Berry of Richmond, Virginia, announce the engagement of their daughter, Cheryl Lynn, to Jerry Stephen Cribbs, son of Mr. and Mrs. James Lacy Cribbs of Raeford. Miss Berry is a graduate of East Carolina University in Greenville. Mr. Cribbs is presently completing requirements for graduation at East Carolina University. An August wedding is planned in Richmond.
