Reg Or Hard To Hold

Letters We Luv

My sister came up with this definition of retirement — "Twice as much husband, half as much income." Fortunately my husband and I have been saving from each paycheck for years. When retirement came, our income dropped very little.

Years of regular savings, earning compound interest at The Bank of Raeford, can add up to a sizeable retirement income. And each account is insured to \$20,000 by a federal government agency.
