

Girls Collect Third Win

By Tondea Jackson

Friday night the Lady Bucks defeated South Brunswick 57-35 in an exciting game. Hoke displayed a powerful zone press which forced turnover after turnover from South Brunswick. The Bucks capitalized on the turnovers which led to the win. As Hoke's defense sparkled, their offense was on the move, too, with 40% shooting from the floor. South Brunswick, somewhat sluggish throughout the game, was led by S. Stinner with 23 points and W. Funnwood with six.

Hoke's leading scorers were T. Jackson with 27 points and K. Little with 12. Hoke controlled both offensive and defensive boards, collecting 38 rebounds to 16 for South Brunswick. Coach Audrey Long utilized every player on the bench. The remainder of the scoring credit goes to A. Bease, two; K. McMillan, three; M. Miller, two; M. McPhatter, five; A. Davis, two; J. McKenzie, two; and S. Gillis, six. The Lady Bucks will match Clinton Friday night to begin their conference play.

COOKIES COMING - The annual Girl Scout Cookie Sale will get underway Jan. 10, with these five varieties to tempt the palate.

Scout Cookie Sale Begins

Girl Scout cookie sales will begin Jan. 10, the Pines of Carolina Council announced. The cookies have been untouched by inflation and are priced at \$1 a box, the same price as last year. Proceeds from the sale benefit Girl Scouts through expanded programs, equipment, and property maintenance and development, the Scout Council said.

Area chairman is Mrs. Milo Postel. Orders may be placed with her at 875-3881.

State Okays Meal Project

\$2,050,000 is being distributed throughout the state to provide approximately 4,400 hot meals per day during 1975 to persons over 60 years of age, the N.C. Governor's Council on Aging announced.

Grants have been made to 23 projects for a second year of the Nutrition Program for the Elderly, which is largely funded by federal monies from Title VII of the Older American's Act. Hoke County is included among the projects approved.

Lady Bucks Rip Devils, Scots

By Tondea Jackson

Last Thursday night the Lady Bucks defeated the Red Devils from Red Springs with a resounding 38-17 victory. Hoke started with a change in defense which proved to be a great factor in the outcome of the game. During the first half, the game was played at a rather slow tempo, with a 14-11 half time score with Hoke in the lead.

The second half proved to be a little quicker paced, while Hoke continued to surge ahead. Red Springs was led by Beth Tyndall with eight points, while the Bucks were led by T. Jackson with 21. K. Little had ten.

Hoke had a good night from the free throw line, hitting 70%, while the Devils only managed 24%, and also only 28% from the floor.

Coach Long expressed hope that the change in defense was an improvement and determined the percentages of Red Springs.

"Our team has come a long way since our first ball game".

In the last game before the holidays, Hoke's Lady Bucks defeated Scotland's Scots by the score of 47-41.

At the beginning of the game, Hoke played very aggressively on offense while the defensive game was a little sluggish. This resulted in Hoke trailing at the half, 24-21.

The Bucks began the second half by

connecting turnovers made by Scotland into points. K. Little, although hurt, began to hit from the outside, making eight of her 17 points. T. Jackson received good passes from M. Miller and A. Bease, converting them into 13 of her 21 points.

Although the Lady Bucks were still behind one point at the end of the third quarter, the fourth quarter proved to be an exciting one. The Bucks began outscoring the Scots. Hoke was ahead by seven points when the game began to turn because of Scotland rebounding. In less than two minutes Scotland had outscored Hoke by 12 points. With two minutes left in the fourth quarter, Hoke started converting Scotland's crucial turnovers into points. In the final quarter, the Lady Bucks outscored the Lady Scots 18 points to their 10.

The Lady Bucks shot 42% from the floor while only 25% from the foul line. Coach Long had these comments to make after the game.

"The team is improving on offense, but the defense still has a lot of improving to do. The opponent's outside shooting is hurting us".

"I am very proud of the performance of Kathy Little and Tondea Jackson as well as the team as a whole. These are some great young women and I'm very fortunate to be a part of such a team. We've got a lot of work to do, but they're willing to work."

Books Needed For Scouts

A shortage of Brownie and Junior Girl Scout handbooks has hit local scouts, Mrs. Milo Postel announced.

The books are being revised and printing was halted on the present

editions, she explained. Meanwhile, girls here need books.

Anyone having Scout books no longer in use are urged to donate them to the Girl Scouts.

Good News At Last!

Home Improvement loans at bank rates. For those of us who are caught in this inflation era and need more room but can't afford to buy bigger homes.

COMPLETE HOME IMPROVEMENTS SUCH AS:

1. New Kitchens
2. New Bathrooms
3. New Floors or Carpet
4. Closed In Carports
5. Room Additions
6. Fireplaces
7. Painting
8. New Roofs
9. Driveways, Sidewalks & Steps
10. Brick Work
11. Siding
12. New Windows & Storm Windows
13. Insulation
14. Swimming Pools
