Cadettes Plan Fashion Show

Clothes from the past will be featured at a fashion show planned as a Bicentennial project by Cadette Girl Scout Troop 169.

The show is scheduled for July and scouts have now started to collect the fashions to be presented.

Mrs. Steven Thomas, troop leader, has asked persons willing to lend clothing from other eras to phone her at 875-4820.

The show will be sponsored by Paul Solomon of Sugar's clothing store.

Featured at the show will be Girl Scout uniforms from the past.

Also in connection with the show, a choral group is being formed for Scouts of all ages. Girls interested in singing are asked to call Mrs. Thomas.

Other projects undertaken by the Cadettes include separating glass for recycling and sponsoring a one-child family on a year-round basis.

Rose Still Flying

Paul Rose, owner and operator of Rose Aviation, denied reports that he had been grounded by the Federal Aviation Administration.

A temporary medical condition has been remedied, Rose said.

THE TOOTH OF THE MATTER - A trial to solve the mystery of the toothache was presented by third graders at West Hoke Friday. A similar production was presented by third graders at Raeford Elementary. The one act play called attention to Dental Health Week and focused on good dental practices.

The FDA Wants Your Vitamins!

Thanks to Senator Proxmire, Congress has temporarily forced postponement of the Food and Drug Administration's effort to make the purchase of high - potency vitamins illegal without a written prescription.

But we must still register our protests, because further action to classify our vitamin supply as unfit and dangerous for over - the - counter purchase is scheduled for June of this year.

I hope many will join me in submitting their protests. By enclosing 50 cents in coin to our Clipping Service (Box 5051, Raleigh, N.C. 27607), you can acquire a definitive 21 - page book entitled Vitamins: Federal Bureaucrats Want To Take Yours! This book discloses the whole disgusting truth behind the FDA's efforts. Accompanying protest letters will be forwarded to Washington. Thank you, Safety First - Never share your medicine with anyone else, and do not take one prescribed for another person. Adv.
