BY J. F. Havens, President

SUPERIOR PIANIST - Debra Scarboro, SUPERIOR PIANIST - Debra Scarboro, Hoke High sophomore, received a rating of Superior in the recent District Music Contest Festival in Lumberton. The daughter of Mr. and Mrs. Carroll Scarboro, she is a student of Mrs. Frances McMillian of Red Springs. She is a member of the Hoke High Chorus and Band.

RATED EXCELLENT - Danny Dial, the son of Mr. and Mrs. Roscoe Dial of Shannon, received a rating of excellent in the piano division of the District Music Contest Festival in Lumberton. He is a student of Mrs. Frances McMillian of Red Springs. A Hoke High senior, he sings and plays the piano in the Hoke High Chorale. He plans to enter East Carolina University as a music major in the fall.

## Rain Stymies

## Growers

County Agent Wendell Young said Tuesday the heavy tainfall in past weeks may be creating difficulties for tobacco growers.

growers.

A total of 20 inches of rain, including 6.6 inches in March, has fallen in the county since the first of the year.

"The rain has affected their ability to get into the land and work it". Young said, "I'd say most of them are behind".

Young said tobacco is normally set around April 20 and a great deal of preparation must be finished first.

around April 20 and a great deal of preparation must be finished first.

"Tobacco is critical because of the 14-day waiting period after fumigation," he said. "If we get another big rain before the weekend, we might be in trouble with preparation."

Young explained some farmers, particularly in areas with heavier types soil, have gotten their tractors stuck.

soil, have gotten their tractors stuck.
"There's been so much rain the land hasn't had time to dry out," he said.

"It'll rain again." Young said he is not concerned as yet

about a delay in plantng which could affect future yield.
"I think they'll get it done (in time) if they can get into the fields," he said. Young could recall only one or two seasons in the past 13 years when extremes of cool, wet weather delayed

Most of the growers have more modern machinery and the actual process of preparing the land doesn't take a great deal of time, he said.

The agent said only about 1% or 2% of the corn has been planted and cotton planting will not start until the end of April or beginning of May.

Young predicted cotton acreage will be about half of what it was a year ago.

"It'll be going into soybeans and pickled cucumbers," he said.

## **Scouts Donate Zoo Chimps**

April 19th is "Pines of Carolina Girl Scout Day" at the N.C. State Zoo in Asheboro. Over 500 girls from the 20-county council will participate in the presentation of \$1,400 for the purchase of a pair of chimpanzees, plus an additional \$800 which will be contributed to the zoo building fund contributed to the zoo building fund. The girls raised money for this project by bake sales, glass and aluminum for by bake saies, giass and aluminum for recycling, zoo carnivals, gift wrapping, magic shows, paper drives, bazaars, garage sales, and cookie sales.

A chimp-naming contest was won by Durham troop No. 124. "Chitter" and "Chatter" are the names salested.

"Chatter" are the names selected.

Mrs. Steven Thomas announced the deadline for all Scouts planning to attend is this Friday.

Interested girls should contact Mrs. Thomas at 875-4820 to reserve a seat on
