

THE FEDERAL LAND BANK ASSOCIATION OF LUMBERTON

ANNOUNCES

The opening of a full-time branch office in Fayetteville for the purpose of making long term farm and rural residence loans.

Mr. James P. Plummer, Jr., a native of Hoke County, will be in charge of the Fayetteville office and will be in Raeford at the Southeast PCA building located at 700 Harris Avenue each Tuesday on a scheduled basis, more often by appointment.

If you are a full or part-time farmer and need credit to refinance existing debts on your farm, make improvements, purchase additional acreage, or other credit needs, call or stop by for a visit.

We also make loans to **NON-FARMERS** who wish to purchase or construct a home in the country.

For those who qualify, Land Bank loans are an excellent source of long term credit. Visit, call, or write our Fayetteville office for further information.
