## 6-2 Loss In Playoff Ends Bucks Season

Oxford Webb downed the Bucks 6-2 in the first game of the state playoffs last Friday on the Oxford Webb field.

Hoke allowed four unearned runs with trouble coming in the first inning. Allen Thomas ran into problems immediately by walking the first batter, Tommy Candle. Jerry Royster then singled down the middle before Thomas collected his first strike out.

But the trouble continued, as Thomas walked Doug Satterwhite and Ron Evans to bring the first Oxford Webb run across the plate.

David McNeill relieved Thomas on the mound, but couldn't stop the Oxford Webb assault. Terry Barnes singled, driving in two more runs before a double play ended the inning.

In the fourth inning, Oxford Webb collected another run as Carl Webb singled and came home on two sacrifices.

Hoke collected its first run in the fifth inning as Timmy Ross singled and then stole second. A sacrifice by Eddie Ramsey moved Ross to third where he scored on a passed ball.

Two more runs were collected by Oxford Webb in the sixth inning as Satterwhite got on base on a fielder's choice and Candle singled. They both scored on an error by Hoke's third baseman, Frank Kicklighter.

The Bucks' final run came in the seventh as Curtis Jones walked, then scored on singles by Ross and Ramsey.

Noah Hendrix caught for Hoke while Oxford Webb's winning team was the twin brother combination of Doug and Dave Satterwhite.

"We didn't make the plays that we

should have, and we played an excellent ball club. You can't give up three runs in the first inning when you're playing that calibre team," Bucks coach Terry Grier said.

"But we've had a good year and I'm well pleased to go as far as we did. The boys represented Hoke County well and I thought they displayed the type of good sportsmanship that would make the people here proud of them."

Grier said he was looking forward to baseball next year and that he expected the Sr. Tar Heel team this summer to help the baseball program.

"Even though we'll be moving up into a bigger and tougher conference next year, I expect us to be very competitive."

April 10, Blue took first place in five events: the broad jump, triple jump, high and intermediate hurdles, and the 220.

Also to his credit are a 22' 3 1/2" broad jump, 43' 3 1/2" triple jump, and a 14.6 second run in the 120 high hurdles. He is currently tied for the best time in the state in the 440 intermediate hurdles with a blistering time of 52.5 seconds.

At the Appalachian State Invitational Indoor Meet, the cinderman set a new ASU indoor meet record in the broad jump. During the spring season, Blue helped set new school records by running legs in both the 440 and the mile relays.

Bernard, the son of Mrs. Laura B. Blue of Rt. 1, Raeford, is the first track man to represent Wingate College on the national level in competition.

## Teen Team Is Forming

Hoke County will field a Senior Tar Heel team this summer under the sponsorship of the county recreation commission.

The team will compete in a league that includes three Laurinburg teams and one Southern Pines team.

Boys ages 15-17 who are interested in playing are asked to call Hoke High Coach Terry Grier, who will coach the team.

Grier said the team also will schedule as many area American Legion games as possible to give the players a chance to meet other tough competition.
