

NEW POLICE CAR - Marshall T. Dodd, of the Governor's Highway Safety Program, and Police Chief Leonard Wiggins inspect the new patrol car delivered to the city. The car was purchased through a matching grant from the Governor's Highway Safety Program.

## Hoke Highlights

by Terri Tucker

Wednesday night, May 28th, at 6:30 the FHA chapter A had a covered dish supper. Mr. Thompson was the guest of honor, and Mrs. Peden attended also. The girls served fried chicken, potato salad, potato chips, sandwiches, and cup cakes.

Mrs. Peden sponsored the FHA Mother - Daughter banquet at the Family Restaurant. The guests were each girls mothers, Mr. Edwards and his wife, Mr. Autry and his wife. Hors d'oeuvres were served; then a dinner of fried chicken, string beans, mashed potatoes and pie for dessert. The girls presented Mrs. Edwards and Mrs. Autry, along with the girls' mothers, a gift. The officers gave Mrs. Peden a scarf, then the FHA club members gave her a pocketbook.

The Class of 1975 held their graduating exercises in the Hoke

High Stadium, Sunday, with two hundred and eighty two seniors graduating.

I have enjoyed writing Hoke Highlights for the past two years and I hope the next writer will enjoy it as much.

## Seniors Program At Church

The Senior Citizen Community of Cameron Heights will sponsor a special program of fifty years ago at the McLaughlin Chapel Church on Sunday, June 15.

Proceeds will benefit the Floral Club.

## AREA INCIDENTS

with intent to kill. He is being held in lieu of \$1,000 bond. A June 27 preliminary hearing was set.

In other reports filed, Albert Goode, Spring Side Mobile Home Park, reported a break-in Sunday between 7-8 p.m. Food, linen, clothing, cash totaling \$63 were taken. Entry was made by removing a screen and raising a window, according to the report.

Carson Davis, Jr., 415 Fulton Street, complained a 20 hp outboard motor was stolen from a warehouse on Turnpike Road. The loss is listed at \$600.

Marguerite Thomas, 409 Fulton Street, reported an irrigation pump valued at \$2,000 was removed from a storage building on Turnpike Road. Carson Locklear, Rt. 1, Red Springs, complained \$300 worth of copper water line was stolen from a house under construction. Entry was apparently made through unlocked doors, according to the report.

David G. Kelley, Rt. 1, Raeford, reported a break-in at Kelley's Pool Room, Tuesday. A radio worth \$50 and a shotgun worth \$25 are reported missing.

## BUDGET

an economic and industrial developer."

The council also voted to allocate \$10,000 from revenue sharing funds for the library building fund.

The council also recommended the recreation commission explore the possibility of using \$19,000 in their budget to construct tennis courts.

The council voted to approve the recommendation of the airport committee and lease tie-down spaces at the airport for \$10 per month.

Gaddy told the council there were nine spaces at the airport, two of which are held by Gene Thacker in his lease. Two spaces would be retained for transients, and the remaining five spaces are to be leased on a first come, first served basis, the council agreed.

Gene Carter questioned the figures on the airport map and told the council there were 12 spaces.

In other business, the council members agreed to retain A.K. Lovin & Co., for auditing services at \$10.75 per hour, an increase from \$10 per hour.

City Attorney Palmer Willcox informed the members two public meetings will have to be held to meet FCC requirements for the Cablevision franchise. The first is set for July 1.

Approval was given for the installation of soft drink machines at the county garage.

The council discussed the proposed street drainage project on Harris Avenue, but Gaddy informed the board he was not sure how the \$25,000 project would be put in the budget.

A request from the Woman's Club for a glass recycling collection area was discussed, and the board requested Gaddy to take charge of the study.

## Library News

## Story Hours Change

Doesn't seem possible but it's true, school is about to close for the summer. So the library staff is looking forward to all our school children dropping by for a book to read now and then during vacation.

Our story hours are planning a short vacation. All four story hours will meet as scheduled on June 3rd and June 10th. Then our Story Hours will be discontinued so our children may go to Bible School or on vacations.

July 1st will be the first summer story hour. That is the day the Hoke County Library will become a part of the Sandhill Regional Library. We are hoping that the Children's Librarian, Miss Linda Brown, will be with us that day. More details will be given concerning our summer programs soon, so be looking for posters, listening to the radio and also watching The News-Journal for more news about our summer Reading Programs.

A lot of NEW is coming for Hoke County Library. The New Library itself, joining the Sandhill Regional Library, new faces for new program planning, new ideas, continued NEW books and we have added to our staff. Mrs. Darlene Garner and Miss Linda Tate who are working with us on one of the Government programs to help better our service to you.

## This Is The Law

### Wrongful Acquisitions

Allen is employed by the National Manufacturing Company. He embezzles \$10,000 from his employer and with the money buys speculative stock in an oil producing corporation. Within two years the oil stock, registered in Allen's name, becomes worth \$180,000.

The National Manufacturing Company has just discovered the embezzlement and what Allen has done with the money. What legal remedy does it have?

The National Manufacturing Company may by a legal proceeding have the \$180,000 worth of oil stock transferred to its name.

A wrongdoer is not permitted to profit from an illegal act. The oil stock is in effect the substituted product of the \$10,000 that was stolen from the National Manufacturing Company. It can reach the property acquired with its money, and thus secure the profit which resulted from the favorable rise in the value of the oil stock.

Allen may, of course, be arrested and sent to prison on the criminal charge of embezzlement.

Jones embezzles \$10,000 from Smith, and uses the money to make improvements upon real property which Jones owns. What remedy does Smith have?

Smith is entitled to an equitable lien on the real property to the extent of the misappropriated funds.

White requests Black to keep \$100 for him. Black without White's consent, wagers the \$100 on a horse race and wins \$1,500. What are the rights of White?

White is entitled to the \$1,500.
