Send your boy to Harvard on fifty bucks a month.

Start a Rainbow Fund Savings Plan and you can do it.

Say you start depositing fifty a month when your son's in the first grade.

When he's ready for college, you'll be ready to send him.

Because the Rainbow Fund will send him three thousand a year for tuition. Plus two hundred a month to live on. For all four years.

But even if he doesn't go to college, you'll have nearly \$20,000 cash coming to you.

Either way, with the Rainbow Fund, it'll be a happy ending.
