

New Traffic Laws Outlined To Drivers

Some bills enacted by the General Assembly this year which would be of interest to motorists in North Carolina are outlined by the traffic safety information service of the N.C. Highway Patrol.

HOUSE BILL 484 - This bill amended G.S. 20-309 (c) (e) (f) to allow the Department of Motor Vehicles to collect a restoration fee of \$15.00 for a new registration plate after the Department has revoked the registration plate previously on the vehicle, and the vehicle is to be reregistered. (Effective July 1, 1975)

HOUSE BILL 487 - This bill amended G.S. 20-7 (i) to allow the Department of Motor Vehicles to collect a restoration fee of \$15.00 prior to restoration of a driving privilege to a person whose license has been suspended or revoked. (Effective July 1, 1975)

HOUSE BILL 616 - This bill amended G.S. 20-4.01 (3) relating to Chauffeur's license. The gross weight was changed from 26,000 to 30,000 pounds for vehicles requiring a chauffeur's license to operate. (Effective May 5, 1975)

SENATE BILL 77 - This bill amended G.S. 136-33 to fix penalties for willful interference with highway signs. Any person who willfully defaces, damages, knocks down, removes, or have in his possession any highway sign shall be guilty of a misdemeanor punishable by a fine of not more than five hundred dollars (\$500.00) or imprisonment for not more than six months or both, in the discretion of the Court. (Effective July 1, 1975)

HOUSE BILL 210 - This was an act making it a crime for any person to willfully trespass upon or damage a public school bus.

SENATE BILL 392 - This bill amended article 2 of Chapter 20 by adding a new section 20-7.1 to read as follows:

"G.S. 20-7.1 NOTIFICATION OF CHANGE OF ADDRESS. Whenever the holder of a license issued under the provisions of G.S. 20-7 changes

his or her address as shown on such license, he or she shall notify the Division of Motor Vehicles of such change within sixty days after such address has been changed." (effective July 1, 1975)

SENATE BILL 114 - This bill amended G.S. 20-7 (f) so as to reward safe drivers by eliminating the requirements of taking written and road tests when applying for renewal

of chauffeur's license unless such person has been convicted of a traffic violation or had prayer for judgment continued with respect to any traffic violation within a four-year period immediately preceding the date of such person's renewal application or unless such person suffers from a mental or physical condition which impairs his ability to operate a motor vehicle. (Effective May 1, 1975)

HOUSE BILL 880 - This act provides that for the purposes of the Driver License Article of Chapter 20, a defendant who has failed to appear in Court over 90 days for a traffic offense shall be deemed convicted. (Effective October 1, 1975)

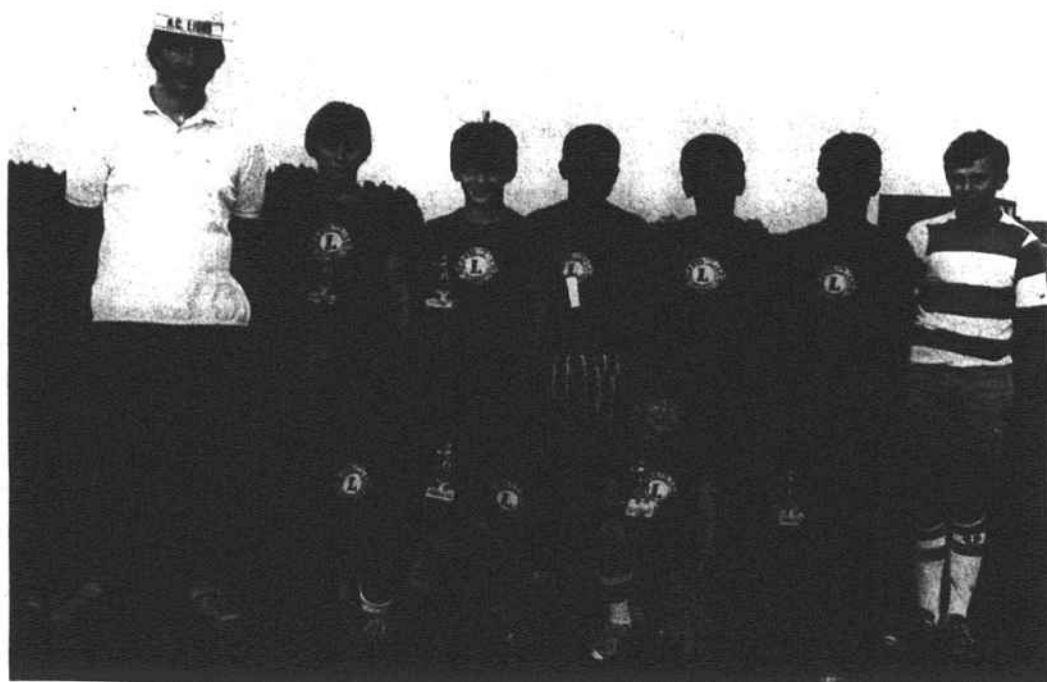

HOUSE BILL 429 - This act amended G.S. Chapter 7A to increase District Court costs from \$16.00 to \$25.00 and to authorize use of the facilities fee to provide free parking for jurors. (Effective July 1, 1975)

HOUSE BILL 222 - This bill amended G.S. 20-183.6 to permit those who replace windshields in motor vehicles to place on the replacement windshield an inspection certificate having the same expiration date as the certificate attached to the removed windshield, and to retain the certificate attached to the removed windshield until 30 days after it expires. (Effective July 1, 1975)

The fees for licenses were increased effective July 1, 1975.

Operator's License - \$4.00,
Chauffeur's License - \$5.00,
Duplicate License - \$1.00, Special
Identification Card - \$1.00, Learner's
Permit - \$2.00, Renewal or Second
Learner's Permit - \$3.25.

HOUSE BILL 1267 - This act exempts persons from motor vehicle operator's licensing requirements while such persons are operating bicycles with helper motors, but the operator must be at least 16 years of age if operated on a public highway or public vehicular area. This bill also excludes this vehicle from the definition of a motor vehicle.

Board Okays Teachers

Fourteen teachers were approved by the board of education at their regular meeting Monday night for the 1975-76 school term, Superintendent G. Raz Autry said.

They are, Martha C. Morgan (kindergarten), Nancy R. McNeill (kindergarten), Betty D. Upchurch (kindergarten), Miriam Clark (first grade), Ivey R. Mallard (EMR), George K. McNeill (physical education), Andrea Scott (math), Clara B. Caviness (English), Robert C. Averette (distributive education), Julia Ann Gibson (reading), Donna J. Kennedy (second grade), and Linwood Hunter (carpentry).

The board also voted to accept the low bids submitted on the proposed construction at Raeford elementary school and the high school during the meeting.

LIBERTY BELL—A replica of the Liberty Bell created by Raeford artist Barbara Hiser is on display at the public library as a Bicentennial memento. Mrs. Hiser has donated the plaque to the library.

Workers May Set Up Own Pension Programs

Greensboro—North Carolina workers not covered by pension programs may be able to set up their own individual retirement savings programs and gain significant tax advantages, F. Clare Shy, Internal Revenue Service district acting

directory for North Carolina, said.

Any employee under age 70 who hasn't participated in a retirement program during the year can set up an individual retirement savings program, the IRS official said. Both husbands and wives who are wage earners may each qualify for their own individual programs.

Miss Shy said that those who are eligible can contribute 15 percent of their annual earnings, up to \$1500, whichever amount is less, into the program. A major advantage of the program, Miss Shy added, is that no tax is due on the contributions or interest or other income earned by the contributions until money is withdrawn. Because this is a retirement program, withdrawals usually wouldn't begin until the individual was 59½ or older. At that point, the individual would be in a lower tax bracket than during his or her earning years.

North Carolina residents who would like additional information can contact their nearest IRS office.

Fayetteville Tech. Institute Sets Fall Tuition Rates

Howard E. Boudreau, president of Fayetteville Technical Institute, announced that the tuition rates for the 1975-76 academic year will be as follows:

Students classified as residents of North Carolina will pay \$2.75 per quarter hour up to 11 hours of credit or \$33.00 per quarter. Through action taken by the 1975 General Assembly in its session recently concluded, FTI no longer has the authority to waive any portion of the

out-of-state residents tuition rate. Prior to this ruling, the board of trustees had this authority to waive out-of-state tuition because of federal funds used in the construction of some of the buildings. Out-of-state tuition fees will be \$13.50 per quarter hour up to 11 hours of credit or \$162.50 per quarter.

To qualify for in-state tuition, a legal resident must have maintained his domicile in North Carolina for at least the 12 months
