#### Veterans Corner

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any information may be obtained at any VA office.

Q - The law provides a grant not to exceed \$3,300 for certain disabled veterans toward purchase of an automobile. If a veteran received this grant when the amount was lower, can he now use the difference toward

purchase of another automobile?

A -- No; however, the law does provide for repair or replacement of adaptive equipment necessary for safe operation of an automobile acquired under this benefit.
