

# Hoke Highlights by Barry Ellis

With the start of the second week of school, everyone is beginning to get settled into their classes and get down to work, (well, most of us anyway!). It usually takes everyone awhile to get used to the routine of going back to school after a summer vacation of no thoughts of school or homework. Almost everyone, by now, has had their schedule changed or corrected, if they needed it done, and are finally able to begin working in a class they hope will enjoy and do well in (are they in for a shock!). But, nevertheless, this year looks like it will be a fun year for everyone with all the new subjects and activities going on this year at school.

Everyone didn't have to wait long for another vacation. Monday, September 1, was Labor Day and we were given a reprieve on that day to rest up and get ready to get zonked with homework our teachers had been saving to surprise us, with their own little way of saying "welcome back". I think most of us can do without anymore of their "little" surprises. (I know I can!)

The Varsity Bucks lost their first game of the season to Southern Durham. It was a disappointment for everyone, but the Bucks played an outstanding game. They took the lead, 7-0, at the beginning of the game by making the first touchdown, but were tied up, 7-7, at halftime. Near the end of the ballgame, Southern Durham made the winning touchdown and got the extra point. The Bucks were unable to make another touchdown and the final score was 14-7.

The Bucks will play Pine Forest of Fayetteville this Friday, September 5, at home. Everyone, who can, should come out to see the Bucks perform and give them a lot of support. They are playing outstanding football now and deserve to see support from not only Hoke High students and faculty, but also the citizens of Raeford and Hoke County, for they represent all of Hoke County not just Hoke High School. I also hope that everyone will join the Hoke Booster Club. This organization not only supports the sports programs at Hoke High, but also Upchurch Junior High School and the Upchurch Eagles. To the athletes in the various sports, support from others, besides the students, means a lot, so please join.

As I wrote in last week's column, the Hoke High Marching Band has been working and practicing on their halftime show. They will perform this Friday at the football game,

under the direction of the new drum major, Cammy Bounds, so come see the band perform as well as the Bucks. You will enjoy both, tremendously.

The Junior Varsity football team will have their opening game of the football season on Thursday, September 4. They are traveling to Fayetteville to play Pine Forest. The JV Bucks are coached by John Buchholz and Calvin Pope. Fayetteville isn't too far away, so I hope there will be plenty of support from Hoke High for the Junior Varsity.

Many of the advisors of the many clubs at Hoke High have been making plans to get their club activities underway and to recruit new members. As of this week not many clubs have actually begun the business of the particular club but are still in the planning stages. Some, however, have already gotten underway.

On Wednesday, Glendia Black, president of the Student Council, was in charge of a meeting to organize the 1975-76 Pep Club. The advisor is Mr. Allen Edwards. The Pep Club goes to most of the football, basketball, and baseball games as well as other sport activities connected with Hoke High, so hopefully many students will turn out to "pep up" the ballgames at Hoke High.

The annual staff for the 1976 EKOH has already started work on this year's annual. With the leaving of Jerry Thompson, the annual staff is under the advisement of Mrs. Elizabeth Burgess. The editor-in-chief is Martha Ann Wood and the co-editor is Steve Morgan. There will be many deadlines this year for the EKOH staff and the first is November 26. Class pictures must be mailed by then to the company which puts together the annual for us, after we have done all of the designs and layouts. Hopefully, we will be able to make this first deadline on time so that we can go on to completing the rest of the annual on schedule also. The EKOH staff hopes it will be able to 'capture', in pictures, the real 'Spirit of 76' for this school year.

The Hoke High Chorale and Chorus has begun practice for their first concert on October 23. Officers were also chosen for each group. For the Chorale, which were chosen at the end of last year, they are: Robert Attaway, president; John Rockholt, vice-president; and Cissy Moses, secretary-treasurer. Those for the Chorus were chosen on Tuesday and are: Rocky Wood, president; Barry Ellis, vice-president; and Susan Townsend, secretary-treasurer. Go out Friday, and SUPPORT THE BUCKS.

their social security checks deposited directly to their checking or regular savings account.

### Raeford Jaycees Cited

The Raeford Jaycees recently received two separate membership awards showing that they have gotten more new members on a percentage basis than any other chapter in the area, according to president Larry Phillips.

Phillips indicated that he hoped that the Raeford Jaycees would be getting more as they are in the process of a membership drive.

"I hope these two awards are just a start and that there will be more of these and other kinds coming our way in the near future," said Phillips.

Phillips also said that the Raeford Jaycees are getting prepared for the fall carnival that will be coming in the next week or so.

"We are drawing up plans for the carnival now and we hope that it is even more successful than previous ones," he said.
