

Hoke Highlights by Barry Ellis

The big news this week happened Friday night, September 5. The Varsity Bucks clobbered the Pine Forest Trojans of Fayetteville, 32-8. It was an exciting ballgame as the Bucks made two touchdowns in the first quarter, and then continued to make one touchdown in each of the three remaining quarters. The Trojans were able to squeeze in one touchdown during the ballgame but were otherwise trampled by the Bucks. Everyone was pleased with the large amount of supporters that turned out for the first home game and I'm sure the ones that didn't go realize what a great game they missed. So, hopefully, many will turn out to see the Bucks in action again this Friday, September 12, when they are playing against the Red Devils of Red Springs at home.

Pine Forest had another beating this week, also. The Junior Varsity Bucks defeated the Trojans, 14-0. They traveled to Fayetteville on Thursday, September 4, and brought home their first victory of the season. The JV Bucks will again have an away game this Thursday, September 11. They go to Red Springs to play against the Junior Varsity Red Devils. I stated who the Junior Varsity coaches were incorrectly last week. They really are Howard Smith and Phillip Summa.

At the football game Friday, everyone finally got a look at the 1975-1976 Hoke High Marching Band. This year's band is the largest ever and Mr. James (the creative and talented man he is) was even able to keep everyone in line throughout the entire half-time show (can you believe it!). But all joking aside, the band did a great job in working on the half-time show. They flag girls and majorettes are among the best the band has ever had. The majorettes were featured in a routine with the band accompanying them with the song 'Have You Never Been Mellow'. If Friday night was any indication of what is yet to come, we have some great half-time shows to look forward to from the band.

A group of people that often go unrecognized during the sports seasons are the cheerleaders. They work extremely hard, not only during school but during the summer

getting ready for all the games and pep rallies they have to lead. The Varsity Cheerleaders did a great job this past Friday night and I'm sure that anyone who has ever seen the Varsity or Junior Varsity Cheerleading Squads realize how diligently they work at reaching perfection in doing their cheers. The cheerleaders are under the direction of Mrs. Elizabeth Burgess. So the next time you see a cheerleader, tell her how much you appreciate the hard work and great job she's doing for the Bucks and Hoke High.

The Varsity Cheerleaders led the first pep rally this year at Hoke High last Friday during sixth period. Mr. Edwards said this was the best pep rally we've had since he's been here and if we keep it up we'll have them throughout the football season. Even Coach Cameron got into the act with his own version of the cheer, "V-I-C-T-O-R-Y", with promises of more to come from him and some of the other coaches at the pep rally on Friday, September 12. Everybody come out, ready to yell Friday, and between the cheerleaders and the coaches the pep rally's bound to be a success.

The Pep Club is preparing to start supporting the Bucks at the ballgames and getting ready for homecoming and all the other sport activities to come this year. Kathy McMillan was elected president.

The Girls Tennis Team will have their first match against East Montgomery on Monday, September 15, after a practice match they had on Wednesday. Hoke High promises to have a good Girls Tennis Team this year. It is under the coaching of Audrey Long.

Tie For Top Spot

By Larry Long

The 1975 Raeford Merchant bowling season got underway last Thursday night at Lafayette Lanes in Fayetteville.

After the first week of bowling there is a tie for the top spot between Earl's Electric and Hunts Bonding Company. Both have a 4-0 record.

Earl's tripped the National Guard of Raeford four to 0. Hunt's whitewashed Gentry's Tire Service four to 0. Webb's defending champion from last year, turned back Kennerty's Cleaners three games to 1.

Oakwood Laundry sacked the Raeford Moose Lodge three games to 1. McNeil's turned back Hollingsworth Barber's three games to one.

The high series last week went to Waylon Fulk for Webb Tire a 597. The high 200 went to Oakwood's

The National Honor Society is preparing for the tapping of junior members into the 1975-1976 NHS. A meeting was held last week for all senior members at which time they elected officers for the school year. They are Dwan Upchurch, president; Charlotta King, vice-president; and Robin Holland, secretary-treasurer.

In last week's column I failed to mention in the list of new Chorus officers that Twana Strickland was elected as new librarian. The first meeting of the SAE (Student Action for Education) was held on Tuesday, September 2, for the purpose of enlisting all juniors and seniors who wished to join for the 1975-1976 school year. Another meeting was held they next day, September 3, during lunch to elect the president and discuss any future plans and activities for this year. Mrs. Marilyn Semones, advisor of the SAE, was in charge of this meeting at which time the members nominated Margaret Postel and Hope Williams for the office of president. When everyone voted, Hope Williams was elected as president. Hope will be in charge of future meetings, to elect other officers and plan the schedule for the SAE activities this year. Congratulations, Hope. I know you'll do a good job.

Class pictures were taken Tuesday, but you would have known that by the disbelief on Mr. Edwards' face. I don't think he believed that everyone could be neat on the same day (and for a whole day at that!). Everybody didn't mind though, it was a chance to get out of class and these days those chances get fewer and fewer!

Don't forget, Friday there's a home game, so everybody come out and SUPPORT THE BUCKS!!

tie dying, food heritage, and child rearing. These activities were held at Camp McCall. Services were held by the 4-H'ers at Camp Easter on Sunday. The following 4-H'ers attended: Debbie McNeill, Martha Pecora; Ann Furr, Teresa Maxwell; Lori Niven, Jimmy Turner, Lorraine Cole, Bill Barnwell; Robert Attaway, Linda Croft and Beth Cameron.
