It takes all day Monday and sometimes a little of Tuesday.

**Teen Center Planned**

A church recreation center for teenagers is now in the process of being formed, according to Mrs. John Scott Poole, one of the organizers of the center.

"I think the kids need a decent place to go," said Mrs. Poole.

She indicated that the purpose of the center is not to compete, but to provide an alternate for the young people of Raeford.

"It won't be in competition with anything, it will just be an alternative for the kids," she said.

"We simply want to provide wholesome recreation, and the first day is isn't wholesome, we'll close it. It will give those who are wandering around something to do," she said. "As long as they don't abuse it, we'll make it go," she said.
