

Thank you, NATIONAL 4-H CLUBS

The 4-H Club builds young men and women of tomorrow. These are the people who use, protect and preserve our environment combining modern technology with modern and ancient techniques to produce ample bounty from our land. The goals of the 4-H Club are exemplified in their pledge:

"...my head to clearer thinking, my heart for greater loyalty, my hands for skill and service, my health for better living for my club, my community and my country."
