Use Landfill, Officials Urge

County health officials again made an appeal for more people to take advantage of the longer Saturday hours at the landfill to dump trash and reduce heavy use of the dumpster sites on weekends.

The city-county landfill began staying open all day Saturday last month, an increase from the morning-only hours.

"What we need is more cooperation from people", assistant sanitarian Lawrence Caviness said Monday after presenting a report to the county commissioners.

County officials noted the city has failed to change the sign at the entrance to the landfill listing the hours, and hoped a new sign would help make people more aware of the change.
