Bucks Battle Back To Bind Pinecrest

By Mike Steadman

A sixty-six yard touchdown drive with less than two minutes to play tied the score at 18 for the Bucks Monday night against Pinecrest High School.

The error-prone game displayed little action until the final quarter when Pinecrest came back from a 12-6 disadvantage and scored once on a blocked Hoke punt and later took the ball on downs and scored in four plays.

This action set up the Hoke drive that knotted the game and spoiled the Patriots hopes for victory. Pinecrest took a first quarter lead

when they took five plays to score from the Hoke 22 yard line following a fumble recovery. Vernon Morrison tied the score on

the first play in the second quarter on a seven yard scamper. The bucks hit paydirt again in the

third quarter when quarterback Bill Poole hit Allen Thomas with an 11 yard pass with 28 seconds remaining

the period. Neither team made an extra point following touchdowns and this proved to be the most important

factor of the game. "There were a few bright spots for

us." said coach Bill Cameron

He indicated that Pinecrest was as good as he thought they would be, but pointed to errors made by both teams as a major factor of the game.

Cameron contended that a team could not get ready for a game on Monday as well as they could for a Friday contest.

"I think Friday is the day that all players look forward to just as a worker looks forward to the weekend," he said.

Cameron expressed worry about injuries to his players and said that most of the players injured were key personnel.

Hoke ran on fourth down twice in the fourth quarter and Cameron explained the decision was due to an

"I've got to be proud of the way "I've got to be proud of the way they played," he said. Cameron said that Seventy-First

was not a big team but they are quick and don't make many mistakes.

The Falcons, ranked second in the state, are sporting a 6-1 record with

their only loss coming at the hands of Jacksonville in their first game. "If we were well, we could give them a good game," Cameron said.

Merchant Bowling

The seventh week of the 1975 bowling season for the Raeford Merchant's League at Lafayette Lanes saw the Raeford Moose Lodge hold onto their lead by beating Kennerty's Cleaners three to one, but there are still quite a few bowling teams not very far behind. Webb's Tire moved into the

number two spot by taking four from the National Guard and the Hollingsworth Barbers clipped Oakwood by three to one. Earl's Electric pulled the plug on Gentry's Tire by three to one while Hunt's Bonding Company and McNeill's Grocery split for the night with two apiece. As averages and handicaps settle down, there will still be plenty of time for any team on the league to move ahead.

The high series for the night's bowling record for one night was set by Bobby Posey of Earl's with a scratch 257 and handicap 294 while bowling a series of 571. And we made a mistake on high series for last

Eagles Remain Undefeated

The Upchurch Middle School Eagles remained undefeated and unscored upon as they blasted Rohanen 26-0 Wednesday, Oct. 8, and stopped Ellerbe 34-0 Wednes-day, Oct. 15.

The wins, the third and fourth of the season for the Eagles, set the stage for their meeting with unde-feated Hamlet for their last home

game at Hoke High Stadium Wednesday, Oct. 22. "We've been playing our second string as much as our first string so far this year," said coach Wayne Mills. "Hamlet will be our toughest

game this year. They've beaten just about all the teams we've beaten." he said.

Mills pointed to the defense as the team's strong point because they give the offense good field position most of the time.

"We've had a good defensive effort every game this year. In the game with Ellerbe, the defense blocked three punts and inter-cepted three passes, and held them to one first down for the whole game," said Mills.

This week at the bowling alley eight teams were at it again. The Fantastic Four started the Spark Knockers tilting when they defeated them two games out of four. Johnny Melton picked up an almost impossible spare 3 - 7 - 10 pins. The Strickers tried and tried but

when it was over Lean and Mean won the whole thing four games to nothing. A tricycle the Old Timers can't handle but give them Sicycle and they beat four games to nothing. Hot Shot still works wonders they went three games to one. High games went to Bobby Monroe, 213, George McKoy, 213, and also a 204,

The Varsity Bucks played a thriller Monday night, October 20 before tying the ballgame with the Pinecrest Patriots. The lead switched teams a couple of times before the Bucks made the final touchdown and tied up the game late in the fourth quarter. The Bucks lost the chance for a win when they fumbled the extra point with about three minutes to go in the ballgame. The Patriots received the kick-off, but were unable to do anything with the few seconds left in the game, leaving the game tied and the final score, 18 -18. The Varsity Bucks, who are now 2 - 4 - 1 in team play, will host
