

Saluting the 66th Anniversary of the BOY SCOUTS of AMERICA

The Boy Scouts of America are teenagers on the move! They're achievers, doers, participants and leaders. They are committed to the pursuit of excellence in a lifestyle that includes education, recreation, adventure, and future careers. We are proud of the contributions made by the Boy Scouts in this community and we take this opportunity to congratulate and salute scouting during National Boy Scout Month.

This Message Is Sponsored By The Following Community Minded Firms Who Salute The Boy Scouts Of Hoke County For Their Fine Work.
