Hint: Oven cleaning is simplified if a half cup of ammonia is placed in the oven with the door closed for several hours. This loosens the soil so that most stains can be wiped up with a sudsy sponge.

Bread Planned-Overs

1. Remove crusts from dry bread, saute in butter or margarine and serve with maple syrup.
2. Mix dry bread crumbs with cinnamon sugar. Place 2 T. of mixture in custard cups. Fill with custard and bake.
3. Save ends of French bread; rub with cut clove of garlic; brush with melted butter. Toast in oven. Serve with green salad.
4. Scoop out centers of muffins. Fill with creamed fish or eggs; sprinkle with cheese and bake in hot oven (400°).

How to Conquer Space In Your Refrigerator

1. Clear out refrigerator before shopping. Discard any foods that have been there too long. Empty small amounts of food into smallest possible containers.
2. Keep out foods that don't need chilling, such as catsup, pickles, most mustards, jellies and preserves. Bread gets stale quicker at lower than room temperature. Store large amounts of bread in the freezer.
3. Use space saving containers. Plastic boxes with square corners and straight-sided refrigerator dishes are best. Wrap some articles in aluminum foil, shaped to fit the space in your refrigerator, if possible.
4. Use height as well as width of shelves by stacking containers.

ACHIEVEMENT AWARD -- 4-H member Linda Croft, a junior leader in the Quewhiffle club, received this year's Achievement Award for outstanding work in 4-H projects. Shown presenting the award is Wendell S. Young, extension chairman.

Last year 4-H'ers once again had the opportunity to work on project areas that were of interest to them. The work they do allows each 4-H'er to grow mentally in the area that is of interest to them.

Linda was the County Champion in the three following areas: Home Environment, Junior Leadership, and Management. Congratulations on a job well done.

Each year one 4-H'er that accomplishes goals that are above what is required by the project book receives the Achievement Award. This year Miss Linda Croft received this award for her outstanding work in both project work and leadership in her club and community.

Linda Croft did an excellent job in 4-H this past year. Linda served as Reporter for the Hoke County 4-H Council, a Junior Leader of the Quewhiffle Club in Ashley Heights, along with being a senior at Hoke High School.
