Raiders Bop Bucks Bounce Back Against Bucs

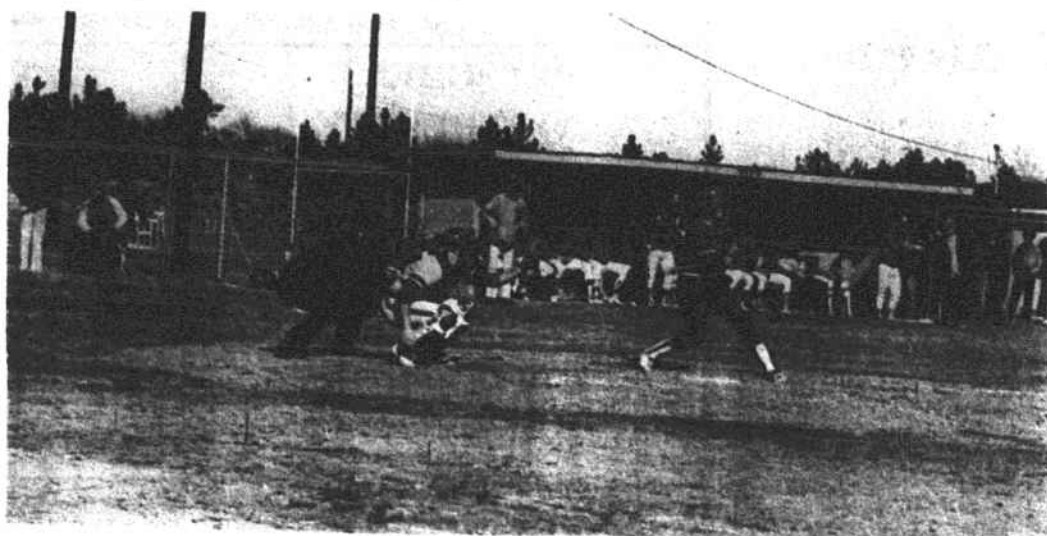

Some undersized children who 'just won't eat' have been found to suffer from zinc deficiency that affects taste, smell and appetite, reports National Heart & Lung Institute. When fed mineral-rich organ meats or zinc supplements, the children's appetites and growth returned to normal. Zinc is also essential in healing of bed sores, chronic leg ulcers, and in avoiding atherosclerosis.

BIG SWING—Eddie Pennell takes a big cut at a fastball during last week's game with Richmond County. The Bucks could not get into the swing of things and lost the game 11-0, for their first loss of the season.

The Bucks' diamondmen were trounced by a tough Richmond County team last week by a 11-0 score and bounced back to take a conference victory from Lumberton last Friday by a narrow 3-2 count. Coach Terry Grier explained that his team had a bad day defensively and could do nothing right against Richmond County.

"It was just one of those days where everything that could go

wrong did go wrong," he explained.

"They are not 11 runs better than we are. We figure they have to play us twice more this season (one regular season and probably in the finals of the tournament in late April) and I don't think anyone can beat us three times," he said.

The Raiders actually had only two earned runs in the game. The Bucks made 11 errors.

David McNeill struck out six Richmond batters on his way to his first loss of the season.

Charley Davis was the winning Richmond pitcher and had 14 strikeouts.

Allen Thomas was the leading Buck hitter as he was 2-3 at the plate.

Thomas struck out 12 batters last Friday and Eddie Pennell and Kenny Carpenter handled the hitting chores as the Bucks scored two runs in the bottom of the last inning to take a 3-2 decision from the Lumberton Pirates.

Pennell was 2-3 and Carpenter knocked in the winning run for the Bucks.

"It was Kenny's first and most important hit of the season," said Grier.

"The Lumberton win meant a lot to us after being beaten like we were on Tuesday. It restored a lot of confidence to be able to come back and post a win," he said.

The victory brought the Buck's

record to 4-1 overall and 2-1 in conference play.

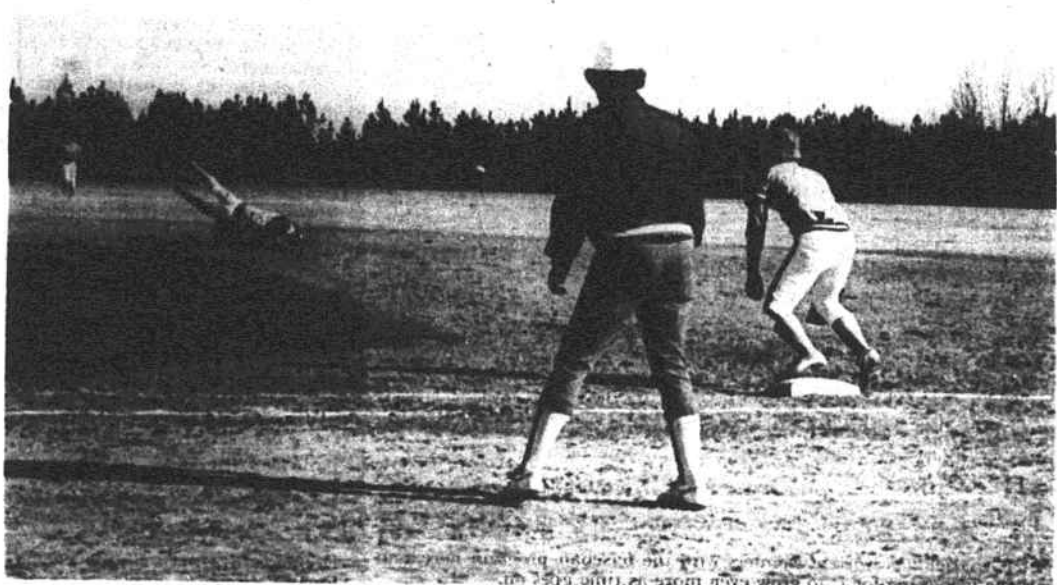

Hoke played Pinecrest of Southern Pines Tuesday and will battle the Falcons of Seventy-First tomorrow (Friday).

LET'S LOOK ALIVE OUT THERE—Coach Terry Grier yells instructions to his players during last week's game with Richmond County. The Bucks lost the game 11-0, for their first loss of the season.

BREAKING UP THE DOUBLE PLAY—A Hoke baserunner tries to keep the Richmond second baseman from completing the double play during last week's game. The effort was futile as the ball had already been released. The Bucks lost the game by an 11-0 score, for their first loss of the season.
