CITY YARD-The home of Mr. and Mrs. Walter Morgan at 215 E. Edinborough Ave. was selected by the Raeford Junior Woman's Club as best looking city yard for the week.

City To Receive \$15,000 Road Grant

The North Carolina Board of Transportation approved a \$15,000 highway improvement project for the Hoke County municipality of Raeford, in an announcement last week.

Approval of the Raeford project came at the Board's monthly meeting held in Plymouth. This project is part of Department of Transportation's Small Urban Projects Program and is financed entirely with state funds.

Members of the Board of Transportation instituted this program to take care of a need not previously handled by the Highway Improvement Program. In its April

meeting the Board approved the use of a total of \$6,000,000 in Statewide Urban funds for new small urban projects. These funds are equally allocated among the Transportation Department's 14 division and the specific projects are selected for full Board approval by the representative division engineer, Secondary Roads Councilman and Board of Transportation member.

The Raeford project consists of drainage system construction on Harris Avenue at Dickson Street (Secondary Road 1148) to tie in with the US 401 Business drainage system constructed by the City of Raeford.

Council Of Governments Funds Summer Interns

Ralph W. Barnhart, Hoke County representative on the Lumber River Council of Governments, announced funding through the Council of four summer internships for Hoke County.

four of 24 such summer posts awarded by the Council to agencies in Bladen, Hoke, Robeson, and Scotland Counties.

This Summer Internship Program extends the benefits of the Summer Youth Experience Program to include persons who are enrolled in an institution of higher learning. The program assists the county government and gives the students some practical experience in a field related to their area of study.

Woman's Club Gets Funds For PACE Summer Student

The Raeford Woman's Club recently collected funds from local businessmen and individuals to provide a student participating in the Plan Assuring College education (PACE) program with summer employment.
