By Barry D. Gray

The Buckettes played host to Pinecrest last Friday night and defeated 42-52.

The game was dominated by

Pinecrest's quickness and the Buckettes had trouble in the first half adjusting to the running game. The half ended at 18-25. In the second half, the girls knew what Pinecrest had and fought hard but couldn't outscore their opponents.

Lena Scriven led the Hoke scoring with 14 points followed by Sharon McMillan with 12. Pinecrest was led by M. McNeil.

This Friday night the girls will travel to Bowman.

## CP&L Demand Sets Peak

Customers of Carolina Power & Light Co. on Jan. 11 set a new record in their demand for electricity when peak demand reached 5,163,000 kilowatts (kw) between 8 and 9 a.m. This broke the previous high of 5,121,000 kw established last July 29. The previous winter peak was 4,974,000 kw which occurred Dec. 21, 1976.

CP&L pointed out that sustained sub-freezing temperatures were responsible for the surge in usage. As a result, the company said, customers should be particularly conscious in conservation during the next few weeks since increased winter usage and a higher anticipated fuel charge in North Carolina will cause substantial increases in February electric bills.

The company advised using less hot water and setting back heating thermostats as ways of conserving electricity.
